18. **(a) DEBTORS**

The balances reflected under this account were due mainly to officers leaving their employment for various reasons and the relevant information was not received by the Fund on time so that the necessary adjustments can be effected.

**(b) CREDITORS**

The balances under this account were due to inadequate and in most cases no information being received from various Ministries / Departments / Regions in respect of new contributors as set out in circulars sent by Secretary to the Treasury and Accountant General respectively.

As a result, deductions were made from persons not liable to contribute and in cases where persons were liable, the necessary information for the purpose of registering officers as contributors was not submitted on a timely basis to facilitate allocation of contributions.

### COST OF LIVING ALLOWANCE

19. The amount paid during 2006 in respect of Cost of Living Allowances to pensioners of the Fund was \$2,573.00

### STAFF

20. The Board wishes to commend Management and Staff for the co-operation and zeal exhibited in the performance of their duties during the year.

## REPORT OF THE AUDITOR GENERAL ON THE FINANCIAL STATEMENTS OF THE DEPENDANT'S PENSION FUND FOR THE YEAR ENDED 31 DECEMBER 2006

We have audited the accompanying financial statements of the Dependant's Pension Fund as at 31 December 2006, and the income and expenditure statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

### *Management's responsibility for the financial statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Generally Accepted Accounting Principles. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### *Auditor's responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used

and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualified Opinion Arising from Limitation of Scope

The amount of \$14,828,859 represents Tangible Assets. An examination of the assets schedule revealed that land and building were valued at \$28,080 and \$7.367M respectively. On 23 May 2000 the property was revalued to a cost of \$62.5M. However, separate values were not shown for the land and building and the new valuation was not taken into account for the period under review. As a result, the fixed assets and reserves being understated by \$55.104M. As a result, the completeness, accuracy and validity of the amounts shown on the financial statement in respect of land and building could not be ascertained.

Except for any adjustments (if any), which might have shown to be necessary, as a result of the matter referred to in the preceding paragraph, in my opinion the financial statements presents fairly in all material respects the position of the Dependant's Pension Fund for the year ended 31 December 2006 and the results of its operation for the year then ended in conformity with generally accepted accounting principles.

## DEPENDANTS' PENSION FUND

### NOTES TO THE ACCOUNTS

#### 1. BACKGROUND INFORMATION

The Fund was first established by Ordinance No.14 of 1923 as Chapter 207 of the Laws of British Guiana. Chapter 27:08 now governs the Dependants Pension Fund. The objective of the Fund is to provide for pensions payable to Widowers/Widows and children of Public Officers who were contributors to the Fund. Other benefits include the grant of mortgages to Contributors to enable them to acquire a home or to renovate existing homes.

#### 2. PRINCIPAL ACCOUNTING POLICIES

##### (A) Accounting Convention

These accounts have been prepared using the historical cost convention.

##### (B) The main sources of income are Contributions and Interest on Investments including Mortgages as shown below:

- (i) Only actual contributions received from members are accounted for due to the fact that contributors accounts are not updated. 1% Government Contributions are recognised on the accrual basis of accounting.
- (ii) Interest on Mortgages accrue from the date of advance.
- (iii) Government's interest is calculated at the prevailing overdraft bank rate and interest on investment is calculated on the number of days it is held.

##### (C) Fixed Assets and Depreciation.

Fixed Assets are depreciated on the reducing balance method on balances at December of each year, and proportionately for assets acquired in the current year.

Fixed Assets	Rate
Building	5%
Furniture, Fittings	5%
Equipment	10%
Vehicle	10%

##### (D) Stock Values

Stocks are valued at the lower of cost and net realisable value.
