(Bill 2/1964 (L.A.)).

OBJECTS AND REASONS

Section 9 of the Drainage and Irrigation (Amendment) Ordinance, 1955, provides that any work not constructed and maintained by the Drainage and Irrigation Board and which is within a drainage and irrigation area may, by an order made by the Governor vest in and become the property of the Board. From time to time orders have been made under the said section 9 vesting works in declared drainage and irrigation areas in the Drainage and Irrigation Board and the Board has maintained the works so vested from rates levied on proprietors within the respective areas.

2. Section 33 of the Drainage and Irrigation Ordinance (Chapter 192) does not however authorise the levying of rates on the proprietors of estates in respect of the maintenance of works acquired under section 9 of the Drainage and Irrigation (Amendment) Ordinance, 1955. Clause 2 of the Bill seeks to amend section 33 of the Ordinance to provide authority for rates to be levied for the purpose of maintaining, repairing, or replacing any works which vest in the Board under section 9 of the Drainage and Irrigation (Amendment) Ordinance, 1955.

3. Clause 3 of the Bill seeks to amend section 34A of the Drainage and Irrigation Ordinance (Chapter 192) (as inserted by section 7 of the Drainage and Irrigation (Amendment) Ordinance, 1955) to enable the Drainage and Irrigation Board to levy additional rates only on the proprietors of any particular section of any drainage and irrigation area in which works are vested in the Board under section 9 of the Drainage and Irrigation (Amendment) Ordinance, 1955, and which are maintained by the Board.

4. The Ordinance when enacted will have effect from the 13th August, 1955, the date on which the Ordinance of 1955 came into force.
