#### OBJECTS AND REASONS

As a result of a recent decision of the Supreme Court of British Guiana the free conversion of dollars into sterling has been made possible. It is considered that this might well result in a drain of the external balances of British Guiana. In view of the length of time it will take to have an appeal from this decision heard, it is necessary in the meanwhile to enact legislation to prohibit the free movement of capital abroad without the permission of the Minister of Finance.

2. Clause 4 of the Bill seeks to provide that “foreign currency” means any currency other than currency the notes and coins of which are legal tender in British Guiana.

CHEDDI JAGAN,  
Premier and Minister of  
Development and Planning.
