Let's Work Together

Our Janouras' team believes that a uniform should enhance your brand while complimenting your staff. Our Corporate Wear Executives will work with you closely to select a style and fabric that work well together and help choose colours that will enhance your company's image.

“a uniform should enhance your brand while complimenting your staff.**”**

Confidence that fits!

Designed for real life and with the Caribbean figure in mind, we continue to pride ourselves in the fact that we can fit all shapes and sizes. Using the latest technology in design and manufacturing, our garments are a cut above the rest.

Janouras Custom Design Limited is committed to providing our customers with quality fabrics and guarantees our garments for quality and workmanship. All fabrics are sourced using independent mills worldwide and handpicked by our design team

Made in T & T

We design and manufacture all garments locally in our two factories located in Port of Spain and Chaguanas. This gives us the advantage of having complete control over all aspects of the manufacturing process.

What you need to know....

- *Our minimal requirement is 300 pieces i.e. 30 staff members taking 5 suits each.*
- *We do not duplicate the same uniform look in the same country*
- *We provide uniforms for various industries which are not limited to the following:*
 1. *Medium to large corporate organizations*
 2. *Local and Regional Banks and Insurance companies*
 3. *Airline flight crew and ground staff*
 4. *Maintenance/Utility staff*
 5. *Security Officers*
