QUESTIONS TO MINISTERS -

QUESTION NO. 20

Mr. Chandisingh to ask the Minister of Health the following question:

- (i) Is the Minister aware that medical services in the Mabaruma and riverain areas of the North-West District have seriously deteriorated since the doctor who has previously stationed at the Mabaruma Hospital was transferred to Matthews Ridge?
- (ii) Is the Minister of the view that one doctor is able to serve adequately both the Matthews Ridge and Mabaruma Hospitals and also to serve regularly the people living along the numerous and extensive rivers of the North-West District?
- (iii) Is the Minister aware that for several months the doctor made no visits to the riverain areas of the North-West District, or that since March there has been no visit by the river dispenser?
- (iv) In view of the urgent medical needs of the people of the North-West District, would the Minister agree at least to restore the service to its previous level as a first step to needed improvements of these areas?
- (v) If the answer to (iv) is in the affirmative, how soon can the people expect to have a resident doctor at Mabaruma Hospital and regular service of the rivers by the doctor and dispenser?
