MOTIONS

1. **CURBING THE RISE OF SUICIDE RATES IN 2016**

Dr. Vindhya Persaud, M.S., M.P. to move the following motion:

WHEREAS the incidence of suicide has been consistently increasing in Guyana in 2016 with the younger members of the population taking or attempting to take their lives;

4.

AND WHEREAS for the last decade a person takes his life every 1.8 to 2.4 days in Guyana; in the United States of America there is a suicide every 13 minutes and, sadly, there is a suicide every 30 seconds somewhere in the world. Suicide accounted for 1.4 per cent of all deaths worldwide in 2012, making it the 15th leading cause of death. Among the age group of 15 to 30, anywhere in the world, suicide is among the top 3 causes of deaths;

AND WHEREAS in Guyana's case suicide has ranked in the top 10 causes of death for the last several decades. In the age group 15 to 24, suicide ranks between 1 and 3 in terms of the top causes of deaths. In the 1980s, suicide deaths were about 200 to 250 per year. In the last decade it has been between 150 and 200 cases per year;

AND WHEREAS it is estimated that there are between 1500 to 2000 attempted suicide cases each year, or about one attempt every 5 hours in Guyana. Around the world, it is estimated that there is one suicide attempt almost every second;

AND WHEREAS while Guyana has done no such studies, it is estimated that suicide costs the Health Ministry conservatively about \$600M to \$900M annually excluding the loss of life, family income and emotional and psychological anguish for the surviving family members;

AND WHEREAS the majority of suicides occur among people suffering mental health conditions and illness such as depression, bipolar disorders and schizophrenia, social issues such as alcohol abuse, poverty and unemployment also contribute to the growing number of suicide cases;

AND WHEREAS the current economic situation in the agricultural communities due to falling rice prices, loss of income and consequential foreclosures on loans in the banking sector coupled with the state of the sugar industry where jobs are under threat, and, the unemployment of thousands of people in the last 9 months in the public service and general society, are leading to a state of despair and hopelessness which are factors contributing to this rise;

5.

AND WHEREAS whilst there are cultural, religious, class and other prejudices that inhibit people from seeking help for mental health problems, the mental health services are inadequate to meet the demand with only 3 full time psychiatrists (based in Georgetown and New Amsterdam), insufficient hospital beds and trained personnel in the National Psychiatric Hospital, and no day treatment or community residential facilities, and, inadequate numbers of counsellors, to help and treat patients;

AND WHEREAS there are insufficient counsellors in the educational system, both private and public, to provide support to students of all ages;

AND WHEREAS the availability and easy accessibility of poisons especially in rural agricultural communities contributes to making this the easiest method of committing suicide in Guyana;

AND WHEREAS suicide is still a crime in the statutes thereby posing serious challenges for social, health, law enforcement and prosecutorial services;

AND WHEREAS there is at present no infrastructure in place for follow-up for persons who have attempted suicides even though there is high risk of a reattempt unless treated;

BE IT RESOLVED:

That this National Assembly calls on the Government to implement the comprehensive 2014 Mental Health Strategic Plan and the National Suicide Prevention Plan 2015 – 2020 which were crafted under the PPP government;

BE IT FURTHER RESOLVED:

That this National Assembly agrees that a nondenominational National education and intervention campaign be crafted with the technical support of PAHO/WHO with emphasis on the value of life, self-esteem and practical approaches to problem solving and coping mechanisms, anger management, and depression to be introduced into the schools, work places and communities;

BE IT FURTHER RESOLVED:

That this National Assembly calls on the Ministry of Public Health to train health care providers – GMOs, nurses, medex, Community Health Workers as first responders at the primary health care level, emergency rooms, etc., to use the Depression Suspicion Index in recognising and diagnosing depression and to refer the individuals to GMOs and psychiatrist for further evaluation;

BE IT FURTHER RESLOVED:

That this National Assembly calls on the Government to urgently establish a special scholarship programme to fast track training of 100 health care providers and counsellors in mental health over the next 5 years to improve the availability of properly trained personnel to address suicides and other mental health issues;
