Dissolution of certain local authorities.

4. (1) On such date as the Minister may appoint by notice published in the *Gazette* in relation to any region, being a date not later than twenty-one days after the declaration of the results of an election to choose the members of the neighbourhood democratic councils of that region first held after the commencement of this Order, every district council established under the Municipal and District Councils Act and every local authority constituted under the Local Government Act (each such district council and local authority hereafter in this clause referred to as "dissolved local authority") within that region shall stand dissolved.

Cap. 28:01

Cap. 28:02

(2) The property of every dissolved local authority within any region and the rights, powers, liabilities and obligations of that authority shall, on the dissolution of that authority under paragraph (1), stand transferred to and vested in the neighbourhood democratic council having jurisdiction over the area wherein the property is situated and any action or proceeding in relation to that property pending in any court on the day immediately preceding the date appointed under paragraph (1) may be continued by or against that neighbourhood democratic council as if it were named as a party therein.

(3) Any sum payable under the Municipal and District Councils Act or the Local Government Act, as the case may be, to any dissolved local authority and due to such local authority on the day immediately preceding the date appointed under paragraph (1) may be recovered by the neighbourhood democratic council, having jurisdiction over the area for which the dissolved local authority was established, in the manner provided in the Municipal and District Councils Act or the Local Government Act as the case may be, for such recovery as if that neighbourhood democratic council were a district council established under the Municipal and District Councils Act or a local authority constituted under the Local Government Act.

(4) In the event of any dispute as to which is the neighbourhood democratic council empowered to exercise, in any particular case, the functions conferred by paragraph (2) or (3), the dispute shall be referred to the Minister and a certificate by the Minister as to which is the neighbourhood democratic council having such power in relation to that case shall be conclusive evidence of the facts stated therein.

Provided that such terms and conditions shall not be less favourable than those enjoyed by each such officer or servant immediately prior to his transfer to such neighbourhood democratic council:

Provided further that the regional democratic council in exercising the right of transfer shall take into account the requirements of the staff of the neighbourhood democratic council and, as far as practicable, the distance between the office of that neighbourhood democratic council and the residence of that officer or servant.

(6) For the purpose of computing the period of service for the payment of a pension, gratuity or other allowances to an officer or servant —

- (i) transferred to the service of a regional democratic council under paragraph (5), his period of service with the dissolved local authority shall be counted as a period of service with the regional democratic council;
- (ii) transferred to the service of a neighbourhood democratic council from the service of a regional democratic council under paragraph (5), the period of service with the dissolved local authority and the period of service with the regional democratic council shall be counted as a period of service with the neighbourhood democratic council.

(7) An officer or servant of a dissolved local authority may, within a period of three months commencing on the date of dissolution of that local authority under paragraph (1), by notice in writing addressed to the clerk of the regional democratic council or neighbourhood democratic council to which he is transferred under paragraph (5), decline to continue in the service of the regional democratic council or the neighbourhood democratic council, as the case may be.

(8) Where an officer or servant declines to continue in service within the period stated in paragraph (7), he shall, without any addition to his period of service eligible to be counted for purposes of pension, gratuity or other allowances, be entitled to the same benefits as if he had retired, on the date on which the notice referred to in paragraph (7) is received by the clerk to whom it is addressed, on attaining the age of fifty-five years.

Cessation of application of other laws.
