IVOR O. SMITH, Clerk to the Executive Council

EXPLANATORY NOTE

(This is not part of the Order, but is intended to indicate its general purport).

Materials from Scheduled Territories imported for use in the manufacture of beer are now exempt from customs duty. This order replaces this exemption by a general exemption of all materials, from whatever source, imported for use in the manufacture of beer. The Order (No. 52 of 1957) made by the Governor in Council on the 30th October, 1957, and published in the Gazette of the 9th November, 1957, which sought to replace the existing exemption by an exemption relating to ingredients imported for use in the manufacture of beer, has not been confirmed as required by section 9 of the Customs Ordinance and has, accordingly, expired.

(C. Ex. No. 26/1956).
