WHEREAS the people of Nicaragua, having freed themselves from the fascist Somoza dictatorship, are seeking to build a revolutionary-democratic non-aligned society under the leadership of the Sandinistas;

AND WHEREAS many peace-loving forces including the Non-aligned Movement and especially the Contadora Group, are working assiduously for the peaceful negotiated settlement of the problems of Central America;

RESOLVED, That this National Assembly condemn all hostile actions, including specifically those of a military nature, which are directed against the sovereignty and territorial integrity of Nicaragua;

AND FURTHER RESOLVED, That this National Assembly urge all States of the hemisphere to adhere to the Contadora Act for Peace and Co-operation which has already been accepted by Nicaragua.
