(Bill 3/1964 (L.A.)).

## OBJECTS AND REASONS

Section 6 (1) of the Davson Centenary Fund Ordinance, Chapter 149, provides that in September in every third year the Committee appointed to control and manage the fund established under the Ordinance shall utilise the interest derived from the fund in a specified manner. Regulation 11 of the Davson Centenary Fund Regulations (made under the Davson Centenary Fund Ordinance) requires the Committee to certify to the Governor before the end of December in every third year, certain particulars in connection with any award which has been made under the Ordinance.

2. It has not been practicable to comply with the provisions of the Ordinance and the regulations with respect to the award for 1962 in so far as the time factor is concerned. This Bill therefore, seeks to amend the Ordinance to enable the Governor to extend the time prescribed for the doing of anything by the Ordinance or any regulations made thereunder, whether the time prescribed therefor has elapsed or not.
