During 1972, Rebates amounting to \$942.25 were allowed to 25 borrowers who repaid their loans in full.

At the end of the year, 5,650 borrowers were in arrears in their loan repayments involving an amount of \$789,320.16 which represents a reduction of \$85,816.30 on the accumulated arrears at the end of the preceding year. The moderate improvement in the collection of the arrears was mainly due to the successful legal action which was taken against the worst cases among the defaulters. On the other hand, 498 borrowers had paid \$21,746.59 in excess of the amount due on their loans.

Details of the arrears and advance payments are as follows:-

to Local  
Authorities

12. Community Centres and Women's  
and Girls' Clubs

The Male and Female Welfare Officers appointed to the Sugar Estates are responsible for organising routine social welfare activities. All sugar workers and their families, and residents living on lands forming part of the Sugar Estate cum annexis are eligible for membership. The management of the Community Centre and its activities are carried out by a Council elected from the various groups operating within the Community Centres.

The activities of the Community Centres and Women's and Girls' Club include Adult Education Classes, Lectures, Debating Clubs, Drama Groups and Handicraft Training. Boy Scout and Youth Groups are also organised under the direction of the Welfare Officers. Each Centre is equipped with a Film Projector; and Films Shows are one of the most popular activities at the Centres.

Recreation Grounds

Sugar estate workers continue to evince considerable interest in outdoor games particularly cricket. All Estates have, therefore, been provided with full size Recreation Grounds with facilities for Cricket, Football, Volley Ball, etc.

Scholarship tenable at the  
University of Guyana
