MEMORANDUM FOR THE RECORD

TO: THE SECRETARY OF DEFENSE
FROM: THE SECRETARY OF THE ARMY
SUBJECT: THE ARMY'S POLICY ON THE USE OF FEDERAL FUNDS FOR THE PURCHASE OF GOODS AND SERVICES FROM SMALL BUSINESS CONCERNS (SBCs)

The Army is currently reviewing its policy on the use of Federal funds for the purchase of goods and services from SBCs. This memorandum provides a summary of the current policy and proposes changes to improve the process.

The current policy requires that the Army must first determine if a potential vendor is a small business concern. This is done by reviewing the vendor's size, ownership, and other factors. Once a vendor is determined to be a small business concern, the Army must then determine if the vendor is qualified to provide the goods and services required. This is done by reviewing the vendor's financial statements, track record, and other factors.

The proposed changes to the policy include the following:

- 1. Streamline the process of determining if a vendor is a small business concern.
- 2. Improve the process of determining if a vendor is qualified to provide the goods and services required.
- 3. Increase the number of small business concerns that are awarded contracts.

The proposed changes are being implemented as of the date of this memorandum. It is requested that you review the proposed changes and provide your comments by the date indicated.
