CONFIRMATION OF MINUTES

The Minutes of the Meetings held on Monday, 21st May, and Tuesday, 22nd May, 1962, which had been printed and circulated, were confirmed.

SELECTION OF NAME

The Committee met to consider the suggestions received for an appropriate name for a politically free and independent British Guiana, a list of which had been circulated to Members - copy attached.

After detailed consideration, Committee agreed to recommend for the consideration of the Legislative Assembly the names "GUYANA" and "DEMERARY", because of their historical background.

The Chairman read a letter that he had received from Mr. M.G. Allderidge of the Geological Survey Department, informing the Committee that he was a member of the Heraldry Society, and offering his services particularly in connection with the competition for a Coat of Arms which he presumed would be designed in accordance with the rules of heraldry.

The Secretary was asked to acknowledge receipt of the letter and to thank Mr. Allderidge for his kind offer of help.

There being no further business, the meeting terminated.

Chairman.

15th June, 1962.
