**Mission Statement**

To ensure an adequate system for the administration of justice; to give sound legal advice and provide competent legal representation to the Government of Guyana; and to draft legislation that will give effect to the constitutional, political and social objectives of the government.

---

The Ministry's mission is organised into five recurrent programme areas and capital projects which are stated below.

**The Main Office** is responsible for providing leadership and managerial administration, necessary for the formulation of relevant sector strategies, which are critical for the successful implementation of the ministry's strategic plan. This programme will promote efficient and optimal use of human, material and financial resources, the adoption of increased accountability measures and the strengthening of managerial and administrative capacity at all levels.

**The Ministry Administration** is responsible for coordinating and managing efficiently the available human, financial and physical resources critical to the successful administration of the ministry's operations.

**The Attorney General's Chambers** has the responsibility of drafting original bills, amendment bills and subsidiary pieces of legislation with the purpose of giving effect to the government's aspirations and goals with respect to its constitutional, political, social and economic objectives. The Attorney General's Chambers also gives advice to ministries and departments concerning legal matters and provides legal representation, in court, for the Government in matters brought by the state and against the state.

The **Office of the State Solicitor** includes three sub-programmes: State Solicitor, Public Trustee and Official Receiver. The State Solicitor is responsible for filing all pleadings in actions instituted by the State and against the State. The Public Trustee is responsible for administering estates of deceased persons, minors and companies in liquidation. The Official Receiver collects rents for the government.

The **Deeds Registry** administers the laws enacted by Parliament affecting land by way of transport, land registration and mortgages as well as the laws relating to trade marks, patents, copyrights, trade unions, companies, partnerships, business names, powers of attorney, contracts and other deeds.

It is worthy to note that the Ministry of Legal Affairs does not have any day-to-day supervisory control over the Office of the Director of Public Prosecutions, Office of the Ombudsman, Supreme Court or Magistrates Court. However, for the purposes of Parliamentary accountability, the Honourable Attorney General and Minister of Legal Affairs is accountable.

## AGENCY 55 - SUPREME COURT

---

**Chancellor of the Judiciary (ag)**  
Honourable Justice Carl Singh

**Chief Magistrate (ag)**  
Ms. Melissa Robertson

**Registrar**  
Ms. S. Ramlal

---

### **Mission Statement**

To provide the required support service to the judiciary to achieve the aims and objectives of social justice.

---

The Supreme Court of Judicature constitutes two recurrent programmes and capital projects which are stated below.

The laws of Guyana are administered mainly in the Supreme Court of the Judicature, which consists of the Courts of Summary Jurisdiction commonly referred to as Magistrates Courts, the High Court and its appellate jurisdiction called the Full Court. It also controls the Land Court, and Sub-Registry in New Amsterdam and the Court of Appeal. The Supreme Court provides administrative, clerical and other support services for the aforementioned courts.

The High Court is presided over by the Chief Justice and an authorized staff of ten puisne Judges. This court has very wide jurisdiction in civil matters, which are heard by a single Judge without a Jury. It exercises exclusive jurisdiction in probate, divorce and admiralty matters, in actions for malicious prosecution, libel, slander, seduction and breach of promise of marriage, and in matters in which corporeal rights or the title to any immovable property is claimed.

The Court of Appeal is presided over by the Chancellor and five Justices of Appeal. The Court of Appeal is the court of final jurisdiction in both civil and criminal matters. The appeal is on record. The state therefore has the responsibility of bearing the cost of preparing the record of criminal appeals for use by the accused, his/her attorney -at -law and, the panel of three judges sitting to hear and determine the appeal. In civil matters, it is for the appellant to produce the record of appeal for use by the Court.

The Magistrates Courts have been divided into eight magisterial districts, for administrative purposes namely: Corentyne Magisterial District with head offices at Whim; Berbice Magisterial District with head offices in New Amsterdam; East Demerara Magisterial District with head offices at Vigilance; Georgetown Magisterial District with head offices in Georgetown; this district also controls the interior districts of North West and Rupununi; West Demerara Magisterial District with head offices at Suddie; this district also controls part of the North West District; North West District administered by Georgetown and Suddie; and Rupununi Magisterial District administered by Georgetown.
