(b) The Bank may from time to time increase or decrease the rate of interest for the time being payable on any amount of the Loan which is being lent from the Ordinary Capital Resources of the Bank to take effect on the day after the first Due Date after June 30 and/or December 31 in any year, or on such other date or dates as the Bank may specify in writing from time to time.

Section 3.08 Advance Payments. The Borrower shall have the right, upon payment of all overdue Principal and all accrued interest, commission, commitment charge and other charges and upon not less than forty-five (45) days' notice to the Bank, to repay as of a date acceptable to the Bank in advance of maturity any portion of the Principal, provided however that, unless otherwise agreed, such early

repayment shall not interfere with the repayment in the regular course of the Principal, but shall have the effect only of accelerating repayment of the Principal and the particulars of the repayments to be provided pursuant to Section 3.02 shall be amended accordingly.

Section 3.09 Overdue Payments. (a) In case the Borrower fails to pay any portion of the Principal, interest (excluding interest payable under this Section), commission, commitment charge and/or other charges due and payable under the Loan Agreement, but without prejudice to the provisions of Articles VIII and IX, the Borrower shall pay to the Bank interest on such overdue Principal, interest, commission, commitment charge and/or other charges at such rate or rates of interest per annum as shall be applicable thereto as provided in paragraph (b) of this Section, for a period from the day immediately succeeding the Due Date for such overdue payment or payments to the day of actual payment thereof, both dates inclusive.

(b) The rate of interest per annum payable on the amount of an overdue payment, or, if there be more than one, of the aggregate of all overdue payments outstanding from time to time shall be such rate as the Bank may specify in writing from time to time being equivalent to one per cent (1%) above the aggregate rates of interest and commission payable on loans by the Bank from its Ordinary Capital Resources prevailing either:

- (i) on the day on which the Loan was approved by the Bank, or
- (ii) on the day immediately succeeding the Due Date or Due Dates for such overdue payment or payments and each Due Date thereafter until payment in full of such overdue payment or payments,

whichever is higher.

Section 4.02 Special Commitments. At the request of the Borrower and upon such terms and conditions as may be agreed upon between the Bank and the Borrower, the Bank may enter into special commitments in writing to pay amounts to the Borrower or others in respect of the cost of goods and services to be financed out of the amount withdrawn from the Loan Account notwithstanding any subsequent suspension or cancellation.

Section 4.03 Period of Disbursement. The Loan may be disbursed up to the date specified in the Loan Agreement or such later date as may be specified in writing by the Bank.

Section 4.04 Procurement. (a) Any goods and services required for carrying out the Project shall, if they are to be financed out of an amount of the Loan,

- (i) be procured in accordance with the procedures outlined in the Bank's "Procedures for Selection and Engagement of Consultants by Recipients of CDB Financing" and "Guidelines for Procurement" as are in effect on the date of the Loan Agreement and as the same may be amended from time to time by the Bank or in accordance with such other procedures as may be specified in writing by the Bank; and,

- (ii) except as provided in the procedures referred to in sub-paragraph (i) of this paragraph, have their source and origin in and be procured from only the member countries of the Bank, all of which are specified in the Annex to these General Provisions, and such other countries as may be specified in, or pursuant to, the Loan Agreement.

(b) The Borrower undertakes that, in the procurement of goods and services for the Project, all necessary measures will be taken to ensure that the construction and service contracts and all purchases of goods financed out of an amount of the Loan will be made at a reasonable cost which will generally be the lowest market price taking into account time of delivery, quality, efficiency, reliability of the goods and availability of maintenance facilities and spare parts therefor and, in the case of services, of their quality and the competence of the parties rendering them.

Section 4.05 Goods and Services to be used exclusively in carrying out the Project. Except as the Bank may otherwise agree, the Borrower shall cause all goods and services financed out of an amount withdrawn from the Loan Account to be used exclusively in carrying out the Project.

Applications for withdrawal with the necessary documentation as hereinafter in this Article provided shall be made promptly in relation to expenditures for the Project.

Section 4.09 Application and Documents to satisfy Bank. Each application and the accompanying documents and other evidence must be sufficient in form and substance to satisfy the Bank that the

Borrower is entitled to withdraw from the Loan Account the amount applied for and that the amount to be withdrawn from the Loan Account has been or will be used for the purposes specified in the Loan Agreement.

Section 4.10 Payments to the Borrower. Payment by the Bank to the Borrower of amounts which the Borrower is entitled to withdraw from the Loan Account shall be made to or on the order of the Borrower.

The Bank shall be entitled, but not obligated, to withdraw from the Loan Account when allocated for financing by the Bank without the necessity of an application for withdrawal by the Borrower, or deduct from any disbursement to, or on behalf of, the Borrower under the Loan Agreement, and pay to itself interest, commission, commitment charge and/or other charges due and payable under the Loan Agreement, and the Bank shall promptly notify the Borrower in writing of such withdrawal or deduction. Each such withdrawal from the Loan Account shall be deemed to be a disbursement of a portion of the Loan to the extent of the amount, and as of the date, of such withdrawal.

ARTICLE V Currency Provisions

Section 5.01 Currencies in which Withdrawals may be made. Except as the Bank and the Borrower may otherwise agree, withdrawals from the Loan Account shall be made in the respective currencies in which the expenditures to be financed out of the Loan have been paid or are payable or in such other currency or currencies available to the Bank, as the Bank may reasonably determine.

withdrawn in that currency, provided that, if a withdrawal shall be made in any currency which the Bank shall have purchased with another currency for the purpose of such withdrawal, the amount so withdrawn shall be repayable in such other currency and the amount so repayable shall be the amount paid by the Bank on such purchase.

(c) The portion of the amount withdrawn from the Loan Account to be repaid in a particular currency shall be repayable in such instalments as the Bank shall from time to time specify provided that the amount to be repaid on each Due Date shall remain as set out in the particulars of the repayments to be provided under Section 3.02.

In purchasing the currencies required, the Bank shall be acting as agent of the Borrower, and the Borrower shall be deemed to have made any payment required under the Loan Agreement only when and to the extent that the Bank has received such payment in the currency or currencies required.

Section 5.06 Valuation of Currencies. Whenever it shall be necessary to determine the value of one currency in terms of another, such value shall be as reasonably determined by the Bank.

ARTICLE VI

ARTICLE VII

Particular Covenants

Section 7.01 Records, Accounts and Information. (a) The Borrower, if it is not a member of the Bank, shall maintain records and accounts adequate to reflect in accordance with consistently maintained sound accounting practice the operations and financial condition of the Borrower. Without prejudice to the generality of the foregoing provision, if applicable, the Borrower shall maintain records and accounts adequate to identify the goods and services financed out of the amount withdrawn from the Loan Account, to disclose the use thereof in the Project, to show the expenditures of the amount withdrawn from the Loan Account and to record the progress of the Project (including the cost thereof). The Borrower shall maintain such accounts and records relating to the Project to the satisfaction of the Bank and such records and accounts shall be kept separately and distinct from the records and accounts of the other operations of the Borrower.

(b) The Borrower, if it is not a member of the Bank, shall:

- (ii) furnish to the Bank, as soon as available, but in any case not later than six (6) months after the end of each such year, certified copies of its audited financial statements for such

year and an audit report by the said auditors of such scope and in such detail as the Bank may reasonably request; and

- (iii) furnish to the Bank such other information concerning its accounts and financial statements and the audit thereof as the Bank may from time to time reasonably request.

(c) The Borrower shall furnish or cause to be furnished to the Bank all such information as the Bank shall reasonably request concerning the expenditures of the amount withdrawn from the Loan Account, the Project, the benefits to be derived therefrom, the administration and operations of the Project and the financial condition of the Borrower.

The Borrower will provide such representatives with all reasonable opportunities and facilities for this purpose.

Section 7.02 Cooperation between the Bank and the Borrower. (a) The Bank and the Borrower shall cooperate fully to ensure that the purpose of the Loan will be accomplished. Section 7.04 Priority of Loan. (a) It is the mutual intention of the Borrower, if it is a member of the Bank, and the Bank that no other external debt shall enjoy any priority over the Loan by way of lien on governmental assets.

(b) To that end, the Borrower, if it is a member of the Bank, undertakes that, except as the Bank otherwise agree, if any lien shall be created by the Borrower on any governmental assets as security for any external debt, such lien will, *ipso facto* and at no cost to the Bank, equally and ratably secure the payment of the Principal, interest, commission, commitment charge and other charges and that in the creation of any such lien express provision will be made to that effect. The Borrower, if it is a member of the Bank, shall promptly inform the Bank of the creation of any such lien.

(c) The foregoing provisions of this Section shall not apply to:

- (i) any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property; or

(d) As used in this Section the term:

- (i) "external debt" means any debt payable by the Borrower in any medium other than the currency which at the time in question is legal tender in the Project Country whether such debt is payable absolutely or at the option of the creditor in such other medium; and

(e) The Borrower, if it is not a member of the Bank or a political sub-division or agency of a member of the Bank or an enterprise in which equity participation by one or more members of the Bank or one or more agencies of such member or members of the Bank is a controlling one, undertakes that, except as the Bank may otherwise agree or as contemplated for the Project, no security which will rank prior to, or *pari passu* with, any security given as a requirement of the Loan Agreement shall, after the date of the Loan Agreement, be created or maintained on any of its property as security for any debts.

Section 7.05 Additional Funds. The Borrower shall provide promptly as necessary all funds in addition to the amount withdrawn from the Loan Account and all other resources required for the punctual and effective carrying out of the Project and, in particular, shall be responsible for meeting any amount by which the cost of the Project exceeds the estimated cost thereof as specified in the Loan Agreement.

Section 7.06 Maintenance of Insurance. (a) Except as otherwise specified in the Loan Agreement, the Borrower shall take out and maintain with responsible insurers, or make adequate arrangements acceptable to the Bank for, insurance against such risks and in such amounts as shall be consistent with sound business practice and, without limitation upon the foregoing, such insurance shall cover marine, transit and other hazards incident to the acquisition, transportation and delivery of goods financed out of an amount withdrawn from the Loan Account to the place of use or installation, any indemnity thereunder to be made payable in a currency freely usable by the Borrower to replace or repair such goods.

(b) The Borrower shall require any such insurers with which insurances in respect of any insurable property financed out of an amount withdrawn from the Loan Account and other insurable property are taken out and are to be maintained to give notice periodically to the Borrower and the Bank when such insurances are to be renewed and, in addition, advise the Bank immediately on each renewal date whether such insurances are renewed.

The Bank shall promptly inform the Borrower of any such transfer or assignment.

Section 7.08 Maintenance of Corporate Existence, Licences and Franchises and other special requirements if the Borrower is a limited liability company. (a) Except as the Bank may otherwise agree or as specified in the Loan Agreement, the Borrower shall:

- (i) take all necessary steps as lie within its power and use its best endeavours at all times to maintain its corporate existence and the right to carry on operations and shall acquire, maintain and renew all rights, powers, privileges, licences and franchises owned or held by it and necessary and useful in the implementation of the Project and the conduct of the business contemplated by the Project;
- (ii) not amend its Memorandum or Articles of Association; and
- (iii) observe all the Laws of the Project Country affecting the Borrower and, in particular, all the provisions of the Companies legislation in force in the Project Country as amended or modified from time to time especially in filing with the Registrar of Companies any information and documents required to be filed under such legislation.

(b) Except as the Bank may otherwise agree, at least fifty-one percent (51%) of the issued and paid up share capital of the Borrower shall be held at all times by one or more of the Governments, nationals and belongers of Commonwealth Caribbean member countries of the Bank and corporate bodies controlled by such Governments, nationals and belongers and the Borrower shall at all times be controlled by one or more of such Governments, nationals, belongers and corporate bodies.

Section 8.03 Cancellation by the Bank. If any of the following events shall occur, then at any time thereafter the Bank may by notice to the Borrower and the Guarantor terminate the right of the Borrower to make withdrawals from the Loan Account or with respect to any amount of the Loan, as the case may be, and, upon the giving of such notice, the amount of the Loan specified therein shall be cancelled:

- (v) A default shall occur in the performance or observance of any other obligation on the part of the Borrower or the Guarantor under the Loan Agreement or the Guarantee Agreement and such default shall continue for a period of sixty (60) days after notice thereof shall have been given by the Bank to the Borrower and the Guarantor;

Section 12.02 No failure or delay on the part of the Bank to exercise any right, power or privilege under the Loan Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under the Loan Agreement preclude any other or further exercise thereof or the exercise of any right, power or privilege.

Section 12.03 All notices and other communications required or permitted to be given or made under the Loan Agreement and any other Agreement between any of the parties contemplated by the Loan Agreement shall be in writing. Any such notice or other communication shall be deemed to have been duly given or made when delivered by hand or mail or by telegram, cable, telex, telefax or radiogram to the party to which it is required or permitted to be given or made at such party's address specified in the Loan Agreement or at such other address as such party may have designated by notice to the party giving such notice or making such communication.

Section 12.04 Subject to Article 42 of the agreement establishing the Bank, if the Borrower, being a member of the Bank, or the Guarantor ceases to be a member of the Bank, any amount due to it for its shares repurchased by the Bank shall be withheld so long as the Borrower or the Guarantor remains liable to the Bank in respect of the Loan. Such amount may, at the option of the Bank, be applied on any such liability as it matures.

Section 12.05 Subject to Article 46 of the agreement establishing the Bank, in the event of a distribution of the assets of the Bank, the Borrower, being a member of the Bank, or the Guarantor shall not be entitled to receive its share in such distribution until it has settled its obligations to the Bank under the Loan Agreement or the Guarantee Agreement.

ARTICLE XIII

Arbitration

Section 13.01 (a) Any controversy between the parties to the Loan Agreement and any claim by any such party against any other such party arising under the Loan Agreement which shall not be determined by agreement between the parties shall be submitted to arbitration before an Arbitration Committee as hereinafter provided.

(b) The parties to such arbitration shall be the Bank on one side and the Borrower on the other side.

(c) The Arbitration Committee shall consist of three arbitrators appointed as follows:

One arbitrator shall be appointed by the Bank, another by the Borrower and a third (hereinafter called the umpire) shall be appointed by agreement between the parties, either directly or through their respective arbitrators. If the parties fail to agree on who shall be the umpire, he shall be appointed at the request of either party by the Secretary-General of the Caribbean Community. If either side fails to appoint an arbitrator, he shall be appointed by the Secretary-General of the Caribbean Community at the request of the other party. If either of the appointed arbitrators or the umpire is unwilling or unable to act or to continue to act in such capacity, his successor shall be appointed in the same manner as for the original appointment. The successor shall perform the same functions and shall have the same powers as his predecessor.

(d) An arbitration proceeding may be instituted under this Section upon notice by the party instituting such proceeding to the other party. Such notice shall contain a statement setting forth the nature of the controversy or claim to be submitted to arbitration, the nature of the remedy sought and the name of the arbitrator appointed by the party instituting such proceeding. Within thirty (30) days after the giving of such notice, the other party shall notify the party instituting the proceeding of the name of the arbitrator appointed by such other party.

(e) If within sixty (60) days after giving notice instituting the arbitration proceeding the parties shall not have agreed upon an umpire, either party may request the appointment of an umpire as provided in paragraph (c) of this Section. If within forty-five (45) days after becoming entitled to do so, neither party requests the appointment of an umpire as provided in paragraph (c) of this Section, the arbitration proceeding shall be deemed to have been abandoned.

(f) The Arbitration Committee shall convene in Barbados at such time and place as shall be fixed by the umpire. Thereafter the Arbitration Committee shall meet in Barbados or in the Project Country at such time and place as the Arbitration Committee shall determine.

(g) Subject to the provisions of this Section and except as the parties shall otherwise agree, the Arbitration Committee shall decide all questions relating to its competence and shall determine its procedure. All decisions of the Arbitration Committee shall be by a majority vote.

(h) The Arbitration Committee shall afford to both sides a fair hearing and shall render its award in writing. Such award may be rendered by default. An award signed by a majority of the Arbitration Committee shall constitute the award of the Arbitration Committee. A signed counterpart of the award shall be transmitted to each party. Any such award rendered in accordance with the provisions of this Section shall be final and binding upon the parties to the Loan Agreement. Each party shall abide by and comply with any such award rendered by the Arbitration Committee in accordance with the provisions of this Section.

(i) The parties shall fix the amount of the remuneration of the Arbitrators and such other persons as shall be required for the conduct of the arbitration proceedings. The Bank and the Borrower shall each defray its own expenses in the arbitration proceedings. The costs of the Arbitration Committee shall be divided between and borne equally by the Bank on the one side and the Borrower on the other. Any question concerning the division of the costs of the Arbitration Committee or the procedure for payment of such costs shall be determined by the Arbitration Committee.

(j) The provisions for arbitration set forth in this Section shall be in lieu of any other procedure for the determination of any controversy between the parties to the Loan Agreement or any claim by any such party against the other such party arising thereunder.

(k) If within thirty (30) days after the counterparts of the award shall be delivered to the parties the award shall not be complied with, any party may enter judgement upon or institute a proceeding to enforce the award in any court of competent jurisdiction against any other party, may enforce such judgement by execution or may pursue any other appropriate remedies against such other party for the enforcement of the award and the provisions of the Loan Agreement. Notwithstanding the foregoing, this Section shall not authorise any entry of judgement or enforcement of award against any party that is a member of the Bank except as such procedure may be available otherwise than by reason of the provisions of this Section.

(l) Service of any notice or process in connection with any proceeding under this Section or in connection with any proceeding to enforce any award pursuant to this Section may be made in the manner provided in Section 12.03. The parties to the Loan Agreement waive any and all other requirements for the service of any such notice or process.

(m) Notwithstanding the provisions of paragraph (j) of this Section, if the Borrower is not a member of the Bank, nothing in this Section shall be deemed to preclude either of the parties from exercising or instituting any legal or equitable action to enforce any right or claim arising out of or pursuant to any instrument given as a requirement of the Loan Agreement with respect to the repayment of the Principal and payment of interest, commission, commitment charge and other charges and submission to arbitration under this Section shall not be deemed to be a condition precedent or in any way prejudice such exercise or other enforcement of any such right or claim.

(a) **EBDR**

Upgrading of approximately 6.0 km of EBDR from DHB to Ruimveldt, from 2-lane 2-way to 4-lane 2-way, including the Houston By-pass and a section of Mandela Avenue. Lane widths of 3.4 to 3.6 m have been designed with reconstruction of the base course. A 50 mm to 120 mm dense AC surface will be used as the wearing surface. The designs also include traffic control devices, signage, improved drainage, widening of three culvert/bridges, road lighting, and dedicated cycle lanes adjacent to sidewalks, and other traffic safety measures.

Estimated Base Cost = \$9,957,390

(b) **WBDR**

Rehabilitation of the 5.5 km section of WBDR from DHB to Vreed-en-Hoop intersection including a 0.7 km section of WCR, from Vreed-en-Hoop intersection to the access road of the West Demerara Hospital, and replacement of three bridges on WCR. A lane width of 3.6 m and a 50-100 mm dense AC overlay/surface has been designed including street lighting, sidewalks with cycle lanes or soft shoulders and other improvement measures.

Estimated Base Cost = \$4,988,850

(c) **DHB**

The Borrower will resurface the 1.8 km floating DHB to complete the link between the East Bank and West Bank roads.

Estimated Base Cost = \$500,000

ENGINEERING CONSULTANCY SERVICES

2. (a) Engineering design consultancy services have been completed by the Borrower including preparation of contract documents for the two contract packages to be financed by the Bank - EBDR and WBDR.

SCHEDULE 3

[Section 6.03 (vii)]

**GUIDELINES FOR COMPLETION OF
REPORT ON INVESTMENT COST OF PROJECT**

1. Elements of Project - The elements of the project as outlined in the Appraisal Report must be recorded in this column. If it becomes necessary to further sub-divide the main elements of the project, then the sub-elements should be grouped to facilitate the determination of the expenditure related to the main elements identified in the Appraisal Report.
2. Expenditure for this Quarter - The expenditure incurred in the quarter to which the report relates in respect of each element of the project must be recorded in this column.
3. Cumulative Expenditure to Date - The expenditure incurred in respect of each element of the project from the commencement of the project to the end of the quarter to which the report relates must be recorded in this column.
4. Projected Expenditure for Quarter - An estimate of the expenditure to be incurred in each of the next three quarters must be recorded in the columns 4₁, 4₂, and 4₃.
5. Estimate of Expenditure to complete Project - This column should be completed only in respect of those elements of the project, construction/installation of which stretches beyond three quarters from the end of the quarter to which the report relates. Where a project extends over more than one year - four quarters - an estimate of the expenditure to be incurred in the period subsequent to the year must be recorded in this column.
6. Latest Estimate of Expenditure - The amounts to be recorded in this column should be derived by adding columns 3, 4₁₂₃, and 5. The amounts recorded in this column should be the best estimate of expenditure to be incurred in respect of each element of the project. These amounts may be less or greater than the appraised expenditure.
7. Project Estimates as per Appraisal Report - The estimate of expenditure to be incurred in respect of each element of the project, as outlined in the Appraisal Report, must be recorded in this column.
8. Variance - The difference between columns 6 and 7 must be recorded in this column. Where the amount in column 6 is less than that in column 7, a favourable variance results. An adverse variance results where the amount in column 6 is greater than that in column 7.
9. Comments - An explanation should be given for each variance which is more than 10% of the project estimates as per Appraisal Report.
