AG: 60/2014

11 August 2014

**REPORT OF THE AUDITOR GENERAL**  
**TO THE MEMBERS OF THE**  
**MATTHEWS RIDGE POWER AND LIGHT INCORPORATED**  
**ON THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2013**

I have audited the accompanying financial statements of Matthews Ridge Power and Light Incorporated (MRPLI), which comprise the statement of financial position as at 31 December 2013, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information. The audit was conducted in accordance with the Audit Act 2004.

### *Management's responsibility for the financial statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's responsibility*

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing issued by the International Federation of Accountants (IFAC), and those of the International Organization of Supreme Audit Institutions (INTOSAI). Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

*Opinion*

In my opinion, the financial statements give a fair and true view, in all material respects, of the financial position of Matthews Ridge Power and Light Incorporated (MRPLI) as at 31 December 2013, and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the Companies Act 1991.
