About the Council

OUR VISION

To promote integrity, stability, orderliness and confidence in the local Securities Market.

MISSION STATEMENT

The Guyana Securities Council is an independent autonomous body established with a mission to ensure the orderly growth and development of the securities market within a dynamic regulatory framework that facilitates the mobilization of capital in the national interest and in a transparent, efficient, fair and competitive manner.

FUNCTIONS OF THE COUNCIL

The principal functions of the Council, under Section 5 of the Securities Industry Act 1998 (S.I.A), are to:

- (a) advise the Minister of Finance on all matters relating to securities;
- (b) maintain surveillance over the securities market and ensure orderly, fair and equitable dealings in securities; (c) register, authorize or regulate, in accordance with the Securities Industry Act 1998, self regulatory organization, securities companies, securities intermediaries, brokers, dealer, traders, underwriters, issuers and investment advisers, and control and supervise their activities with a view to maintaining proper standards of conduct and professionalism in the securities business;
- (d) protect the integrity of the securities market against abuse arising from the practice of insider trading;
- (e) create and promote such conditions in the securities market as it may seem necessary, advisable or appropriate to ensure the orderly growth and development of the capital market.

POWERS OF THE COUNCIL

Under Section 6 of the Securities Industry Act 1998 (S.I.A), the Council has the power to:

- (a) deal with such matters as may be referred to it by any person registered with the Council under the S.I.A from time to time;
- (b) formulate principles for the guidance of the securities industry;
- (c) monitor the solvency of registrants and take measures to protect the interest of customers where the solvency of any such registrant is in doubt;
- (d) adopt measures to supervise and minimize any conflict of interests that may arise in the case of brokers or dealers;
- (e) review, approve and regulate take-overs, amalgamations and all forms of business combinations in accordance with the S.I.A or with written law in all cases in which it considers its expedient or appropriate to do so;
- (f) review the contents of prospectuses, offering circulars or any form of solicitation, advertisement or announcement by which securities are offered for sale to the public; review the contents of prospectuses, offering circulars or any form of solicitation,
- (g) take action against persons registered or required to be registered under the S.I.A for failing to comply therewith;
- (h) undertake such other activities, including the making of regulations, as are necessary or expedient for giving full effect to the S.I.A.
- (i) do all things which may be necessary or expedient or are incidental or conducive to the discharge of any of its functions and powers under the S.I.A.

About the Council

The Guyana Securities Council is an independent autonomous body established by Section 4 of the Securities Industry Act 1998.

The Securities Industry Act 1998 is an Act that provides for the registration of securities brokers and dealers, self-regulatory organizations, and issuers of securities. It also provides for the regulation of securities issuances; with the purpose of encouraging capital formation and the growth of efficient securities markets, while protecting purchasers of securities and promoting ethical behavior in the securities industry.

There is a proposed re-write to the Securities Industry Act, which will address the deficiencies therein, and as a result will strengthen the legislative structure of the Securities Industry. In addition to the re-write of the principal legislation, the Council is also proposing to have its Corporate Governance Guidelines formed into regulations. Also proposed is the review and implementation of the Collective Investment Schemes Bill.

LEGISLATIVE FRAMEWORK

The Council is principally mandated to administer the following legislations:

- Securities Industry Act 1998
- Securities Industry Regulations 2002
 - Securities Industry (Registration of Market Participants) Regulations
 - Securities Industry (Conduct of Business) Regulations
 - Securities Industry (Accounting and Financial Statements) Regulations
 - Securities Industry (Advertisements) Regulations
 - Securities Industry (Disclosure by Reporting Issuers) Regulations
 - Securities Industry (Prospectus) Regulations
 - Securities Industry (Registration of Issuer of Securities) Regulations
- Anti-Money Laundering and Countering the Financing of Terrorism Act 2009
- Anti-Money Laundering and Countering the Financing of Terrorism (Amendment) Act 2015
- Anti-Money Laundering and Countering the Financing of Terrorism Regulations 2010
- Anti-Money Laundering and Countering the Financing of Terrorism Regulations 2015

Members of the Council

The Guyana Securities Council's Board of Directors is comprised of four (4) Council Members, including the Chairman.

During the 2016 fiscal year, Mr. Keith Cholmondeley, Dr. Terrence Smith, Deputy Governor of the Bank of Guyana, Madam Justice Ret'd Claudette Singh, and Mrs. Donna Levi, served as members of the Board. Mr. Cholmondeley served as the Chairman.

Effective 1st January, 2017, a new Board was

appointed by Cabinet. The new members are: Mr. Rawle Lucas, Dr. Terrence Smith, Deputy Governor of the Bank of Guyana, Madam Justice Ret'd Claudette Singh, and Mrs. Debra Roberts. Mr. Lucas is currently serving as Chairman.

As the previous Board was disolved as of 31st December, 2016, the new Board reviewed and approved the GSC's 2016 Audited Financial Statements, in place of the former Board, with Mr. Lucas signing as the Chairman.

SUMMARY OF OPERATIONS

The Guyana Securities Council in executing its mandate under Sections 5 (a) - (e) and 6 (a) - (i) of the Securities Industry Act 1998, performs the following fundamental duties, among others:

- 1. Registration of all public companies;
 - a. Registration of Annual Registration Statements;
- 2. Analyze all company's Annual Reports and Interim Reports for:
- a. Disclosure obligations relating to the delivery of accounts;
- b. Review the information in the accompanying director's report;
- c. Review the acquisition or disposal of major assets;
- d. Review transactions with related parties and companies;
- e. Review information with regards to shareholders, substantial shareholdings, board meetings, board discussions and notifications to the Council;
- 3. Register all Treasury Bills issued by the Bank of Guyana;
- 4. Register and publish by 31st March, each year, a list of all valid registrants, by class of registration;
- 5. Maintaining actual register for all Market Participants and registrants registered by the Council;
- 6. Surveillance of the Securities Market; oversight of the Self-Regulatory Organisation (SRO), the Guyana Association of Securities Companies and Intermediaries (GASCI);
- 7. Monitor the Stock Exchange for:
 - Protection of investors and public interest;
 - Fostering of corporation and coordination among persons who clear, settle, regulate and process information to facilitate trading in securities;
 - Ensuring the fair representation of the SRO members;
 - Prevent deceptive and manipulative practices from occurring in the securities market;
 - Ensure both on and off platform trades are done using fair trading practices
 - Review and analyze the SRO's and Market Participant's Annual Reports;
 - Investigate unfair pricing of securities the Council is currently investigating the pricing of several Reporting Issuers shares used by attorneys to settle deceased persons estates;
 - Monitor the registered Market Participants for independence, material interest, ensuring their customers understand the risks, customer agreements and after market transactions.

This type of monitoring is done on a continuous basis with the SRO and Market Participants;

The Council's functions and powers are mandated by the Securities Industry Act 1998 and Regulations thereto, and the actions the Council undertakes is reactive to the misconduct and non-compliance of the Registrants, Market

Participants, Reporting Issuers and other Stakeholders of the Securities Industry.

ANTI-MONEY LAUNDERING AND COUNTERING THE FINANCING OF TERRORISM

The Council also has a secondary mandate as a Supervisory Authority under the Anti-money Laundering and Countering the Financing of Terrorism Act 2009. Section 22 (c) of the AML/CFT Act 2009 gives the Council the responsibility as a Supervisory Authority for reporting entities who perform the business activities specified in the Fourth Schedule of the Act, which are enumerated below:

- 1. Trading for own account or for account of customers in money market instruments (such as cheques, bills, certificates of deposit), foreign exchange, financial futures and options, exchange and interest rate instruments, and transferable securities.
- 2. Underwriting share issues and participation in such issues.
- 3. Advice to undertakings on capital structure, industrial strategy and related questions, and advice and services relating to mergers and the purchase of undertakings;
- 4. Money-broking;
- 5. Portfolio management and advice;
- 6. Safekeeping and administration of securities;
- 7. Venture risk capital;
- 8. Unit trusts;

During 2016, the Council continued on-site examinations of all its Market Participants for the 2015 fiscal year.

The reports of these examinations were sent to the Financial Intelligence Unit for review and further action.

The Council has limited human and financial resources, however with its current compliment of staff, the Council is fulfilling its mandate under the Anti-Money Laundering and Countering the Financing of Terrorism Act 2009.

WORKSHOPS AND TRAINING

The Council conducts annual training sessions for its Market Participants under the Securities Industry Act and its reporting entities under the AML/CFT Act annually.

These training programs are highly beneficial to the stakeholders involved, as they increase the awareness of the requirements to ensure compliance with the various pieces of legislation, as well as to identify any risks that may be existing in their operations, and how they can mitigate those risks.

The agencies that benefit from the Council's training are all the stakeholders of the Securities Industry, including all Market Participants. The Reporting Issuers are also invited to attend. Other agencies that are invited are the

Bank of Guyana, Guyana Police Force, Special Organised Crime Unit and the State Asset Recovery Unit.

BUDGET AND FUNDING

The Guyana Securities Council is funded through subvention allocations from the Ministry of Finance. Illustrated below is a brief summary of the Council's budgetary allocations over the past 5 years and its total spending on annual expenditure, extracted from the Audited Financial Statements for each year.

Year	Subvention Received	Annual Expenditure
2012	45,888,580	51,118,902
2013	48,025,960	54,911,486
2014	69,227,076	68,116,036
2015	72,695,304	70,269,267
2016	76,264,000	69,506,039

During the years 2011 - 2013, the subvention deficit was financed by the Council's deferred revenue. Any excess of revenue over expenditure is transferred to the deferred revenue, to be utilized during the next financial year.

The Council can have other methods of financing available, i.e. registration fees for new market participants and Reporting Issuers. However, these fees are nominal, and are only paid once on registration. In the proposed legislation, the fee structure can be re-worked to facilitate annual registration fees for all registrants and issuers, including all Market Participants, Reporting Issuers and Government Agencies which issue securities (e.g. Treasury Bills, etc.)

REGIONALLY AND INTERNATIONALLY

The Council is a member of several organisations within the region, namely the Caribbean Group of Securities Regulators (CGSR), the Council of Securities Regulators of the Americas (COSRA) and the Caribbean Regional Technical Assistance Centre (CARTAC). These organisations host several meetings and workshops annually which the Council is required to participate in. Among the issues being discussed is the Regional Choice of Law and Rule of Law Guidelines.

The Council in September 2005, applied to become a

member of the International Organisation of Securities Commissions (IOSCO). The IOSCO Multilateral Memorandum of Understanding on Cooperation and Consultation and the Exchange of Information (the MMoU), provides a global framework for enforcement co-operation between securities regulators, thereby helping to ensure effective global regulation and to preserve the strength of securities markets. It is a critical IOSCO work-stream, and is rightly regarded as the benchmark for international co-operation in enforcement matters. The main impediments preventing Guyana from becoming a signatory to the MMoU are as follows:

- •The Council does not have direct access to bank records, depending on the Bank of Guyana to obtain this information when a bank is not a market participant or a reporting issuer. Additionally, Guyana's legislation is not specific with respect to how to acquire information from banks;
- The Bank of Guyana is limited in its sharing information, depending on the Finance Minister or any lawful order of Court for obtaining the information.

The MMoU envisages that signatories will provide to each other comprehensive assistance in the investigation and prosecution of securities-related crime and misconduct.

In increasingly globalised markets, the ability to obtain information and exchange it with overseas counterparts, as facilitated by the MMoU, is critical to Regulators' success in this field. MMoU signatories, and the markets to which they belong, benefit from international recognition in that they adhere to robust standards in the investigation of crossborder crime, and that they are participants in a global enforcement regime, which contributes to maintaining fair and efficient markets. That recognition may inform the perceptions of international organisations involved in global regulation. For example, the Financial Stability Board and other standard-setters use the MMoU as a benchmark when conducting their own assessments. Moreover, whether or not a jurisdiction is a signatory to the MMoU may influence the perceptions of international investors as to market credibility.

There are now 91 signatories to the MMoU, representing approximately 94% of the world's securities markets, and IOSCO is determined to ensuring global coverage. It is therefore becoming essential for all regulators to sign the MMoU, not only to ensure effective international enforcement, but for their reputation, and the economic health of the jurisdictions to which they belong.

Currently, becoming an ordinary IOSCO member is conditional upon signing the MMoU, a prerequisite of which is the ability to obtain, and disclose to other regulators, certain specific information that may be critical to enforcement cases. Very often, acquiring that ability may require significant legislative change within an applicant's jurisdiction.

However, the benefits of becoming an IOSCO member are numerous. There are reputational advantages and, for example, other international organisations such as the IMF and the World Bank refer not only to the IOSCO MMoU. but to the IOSCO Objectives and Principles of Securities Regulation and the IOSCO Assessment Methodology where conducting their own jurisdictional assessments. Domestic markets may experience more tangible benefits, such as increased capital flows, which will derive from increased investor confidence. In addition, there are hugely significant benefits in terms of the IOSCO Education and Training Program, and other IOSCO capacity building initiatives.

All Securities Commissions were required to be IOSCC compliant, however this benchmark has been shifted to Country compliance.

This condition should be satisfied by the re-write of the Securities Industry legislation, and the possible amendments to the Financial Institutions Act to allow for the sharing of information.

AUDITORS' REPORT TO THE COUNCIL MEMBERS GUYANA SECURITIES COUNCIL

We have audited the financial statements of Guyana Securities Council which comprise the statement of financial position as at December 31, 2016 and the statements of revenue and expenditure and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Council as of December 31, 2016 and its financial performance and its cash flows for year then ended in accordance with International Financial Reporting Standards (IFRS).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Council in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Guyana, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they can reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Council to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Council audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period.

Report on Other Legal and Regulatory Requirements

The financial statements comply with the requirements of the Securities Industry Act 1998.

The accompanying notes form an integral part of these financial statements

Notes to Financial Statements December 31, 2016

(Expressed in Guyana Dollars)

1. Entity identification and principal function

The Guyana Securities Council (the 'Council') is a statutory body created by the Securities Industry Act 1998 and brought into existence by Ministerial Order No 5 of 2000 by the Minister of Finance with effect from December 16, 2000. The Council commenced activities on September 24, 2001.

The members of the Council serving in 2016 were:

Period served: 1st Jan. - 31st Dec., 2016

Mr. Keith Cholmondeley - Chairman

Ms. Donna Levi - Member

Ms. Claudette Singh - Member

Dr. Terence Smith - Member

The principal functions of the Council are to:

- (a) advise the Minister of Finance on all matters relating to securities,
- (b) maintain surveillance over the securities market and ensure orderly, fair and equitable dealings in securities.
- (c) register, authorize or regulate, in accordance with the Securities Industry Act 1998, self regulatory organization, securities companies, securities intermediaries, brokers, dealers, traders, underwriters, issuers and investment advisers, and control and supervise their activities with a view to maintaining proper standards of conduct and professionalism in the securities business,
- (d) protect the integrity of the securities market against abuse arising from the practice of insider trading,
- (e) create and promote such conditions in the securities market as it may seem necessary, advisable or appropriate to ensure the orderly growth and development of the capital market.

2. New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for the year ended December 31, 2016 and have not been applied in preparing these financial statements. None of these will have a significant impact on the financial statements of the Council.

3. Significant accounting policies

(a) Accounting convention

The financial statements have been prepared in accordance with International Financial Reporting Standards adopted by the Institute of Chartered Accountants of Guyana.

The Members of the Council approved these financial statements for issue on April 20, 2017

Notes to Financial Statements December 31, 2016

(Expressed in Guyana Dollars)

3. Significant accounting policies continued

(b) Subvention

Subvention that compensate the Council's costs are recognized in the statement of revenue and expenditure in the period that these costs are incurred.

Subvention relating to purchase of equipment is credited to the statement of revenue and expenditure on a straight line basis over the expected lives of the related assets.

(c) Registration fees

Registration fees are collected from reporting issuers upon submission of the registration statement to the Council as required under Sections 56 and 57 of the Securities Industry Act 1998. The registration fees are recognized in the statement of revenue and expenditure in the period that related registration statements are submitted to the Council.

(d) Foreign currency transactions

Foreign currency transactions are translated at the exchange rates prevailing at the dates of these transactions. At the statement of financial position date, any monetary assets and liabilities denominated in foreign currencies are translated to Guyana Dollars at the prevailing rates at that date. Exchange differences on foreign currency transactions are recognized in the statement of revenue and expenditure.

(e) Expense recognition

Expenses are recognized on an accrual basis.

(f) Furniture, equipment and books

Furniture, equipment and books are stated at cost less accumulated depreciation. Depreciation is calculated on a straight line basis at rates estimated to write off the assets over their expected useful lives. The current annual rates of depreciation are:

Furniture	10%
Equipment	20%
Books	10%

(g) Deferred revenue

Deferred revenue are unrestricted funds which are available for use at the discretion of the Council in furtherance of the principal functions of the Council and which have not been designated for other purposes.

Notes to Financial Statements December 31, 2016

(Expressed in Guyana Dollars)

4. Subvention

The Council received a subvention of G\$76,264,000 (2015 - G\$72,695,304) Guyana Dollars from the Government of Guyana during the year to cover operating costs.

Unused funds are carried forward to future periods and accounted for as deferred revenue.

13. Financial instruments

The Council's financial instruments comprise of cash and bank balances, accounts receivable, accounts payable and accrued charges.

(i) Credit Risk

Credit Risk on accounts receivable is limited as accounts receivable are shown net of provision of bad debts. Management believes that there is no additional risk beyond amounts provided for collection losses.

Notes to Financial Statements December 31, 2016

(Expressed in Guyana Dollars)

(ii) Liquidity risk

Liquidity risk is the risk that the Council is unable to meet its payment obligations associated with its financial liabilities when they fall due. Prudent liquidity risk management implies maintaining sufficient cash and cash equivalents and availability of funds through an adequate amount of committed credit facilities.

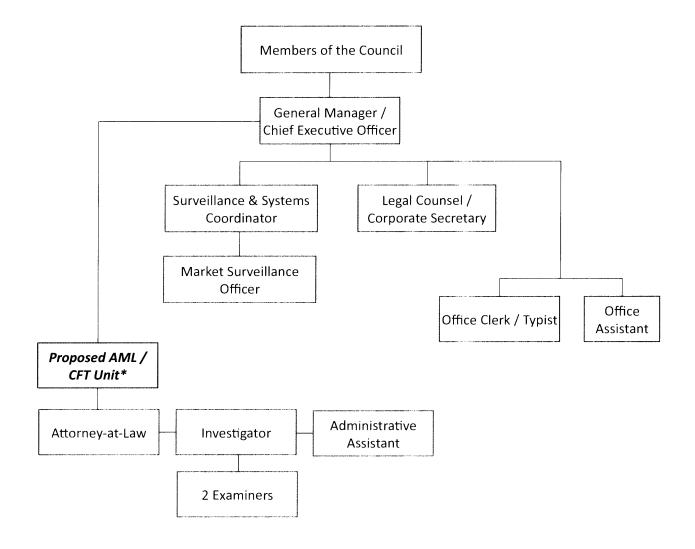

(iii) Fair values

The fair values of cash and bank balances, accounts receivable, accounts payable and accrued charges are not materially different from their carrying amounts.

14. Contingencies

In the ordinary course of operation the Council is involved in legal proceedings. In the Members' opinion, after taking legal advice, the outcome of these matters will not give rise to significant loss.

ORGANISATIONAL CHART
