MOTION BY REV. BOBB CONCERNING "FEDERATION".

Council resumed the debate on the following motion:-

That this Council, having noted the steps which are being taken by other Caribbean Governments and by Her Majesty's Government towards the creation of a British Caribbean Federation and the statement of the Secretary of State for the Colonies in Parliament to the effect that the constitutional instruments will provide that British Guiana and other territories which might care to do so will be quite free to join the Federation, is of the opinion that British Guiana should join the Federation and that the question of this country's participation therein should be re-examined.

This Council further prays His Excellency the Governor to take such steps as he may deem fit to keep British Guiana in close touch with the action now proceeding towards the setting up of the Federation and to ascertain the state of public opinion in this country towards participation in the Federation.
