9. ESTABLISHMENT OF PRIVATE RADIO STATIONS

- (b) When will such licenses be issued?

(Notice Paper No. 167 (Q 128 Opp 127) published on 2007-06-27)

Answers:

- (i) Not likely.
- (ii) The last agreement between H.E. the President and the then Leader of the Opposition, envisaged the enacting of the Broadcast Law and then the establishment of the Broadcast

Authority which will consider and grant applications for Public Broadcast Stations, both radio and television. The Government continues to envisage proceeding in this way. At this time I imagine that this process will require six months to one year. So, I don't at this time see any radio license being issued before the end of 2007 and not likely before mid 2008.

10. **COPYRIGHT LEGISLATION**

Minister Answering: The Minister of Culture, Youth and Sport

(Notice Paper No. 168 (Q 129 Opp 128) published on 2007-06-27)

Answer:

The Copyright Legislation is a complex piece of legislation and is intended to promote and protect more than the intellectual property of artistes. The Ministry of Culture, Youth and Sport has been engaged in the discussions with other Ministries on the legislation, and we are assured by the lead Ministry that once the consultations are completed and a revision is done, that it would be tabled in the National Assembly.
