QUESTIONS ON NOTICE-

For Written Replies

1. PRIVITISATION OF GUYANA POWER AND LIGHT

Member Asking: Mrs. Sheila Holder, M.P.

Minister Answering: The Prime Minister and Minister of Public Works and Communication

Can the Honourable Prime Minister state what efforts Government proposes to take to privatise Guyana Power Light and save the taxpayers the huge sums that are transferred each year to that utility?

(Notice Paper No. 442 (Q321 Opp296) published on 2010-03-05)

Answer:

“The transfer to GPL are really transfers to the consumers, in that these transfers offsetting say increases in fuel prices, and the provision of financing at very concessionary rates, make for tariffs that are lower than they otherwise would have been. In addition, the Government has been foregoing any return on its equity in GPL which the typical private investor could not do.

/...9

9.

Privatizing the GPL at this time will either have to be at a give-away price or will be accompanied by a 25 to 50% increase in tariff with GPL in private ownership to provide a commercial return on the purchase price.

This Government has not approached privatization from an ideological point of view but from the pragmatic question of whether privatization in the given circumstances would from overall consideration be better for Guyanese than not privatizing.

When the Electricity Utility was privatized in 1999, the objectives were to firstly bring GPL to an adequate condition, with a strategic core partner, then after 10 years, for both partners to sell down their shareholdings equally to the wide public in Guyana. It was considered very important, to get to the point where members of every customer household were in both positions, of owner, holding some amount of shares in GPL and as customer paying regular bills for electricity consumed. This I continue to see as a great learning experience for our people, an opportunity to grow and develop in many ways.

It may be recalled that on the departure of the core partner of GPL in 2003, local financial institutions were invited to step in without success. However, the subsequent successful invitation to local financial institutions to participate in the establishment of the Berbice River Bridge, has brought the hope that an invitation to take shares in GPL at an appropriate time in the future may be better received.”

2. SETTING UP OF SEVERAL RIGHTS COMMISSIONS

Member Asking: Mrs. Sheila Holder, M.P.

Minister Answering: The Prime Minister and Minister of Public Works and Communication

Can the Honourable Prime Minister say why is there no provision in the 2010 Budget for the setting up of the secretariat to facilitate the work of the several Right Commissions?

(Notice Paper No. 443 (Q322 Opp297) published on 2010-03-05)

Answer:

Provision was made in 2009 for all of the Commissions to be housed together with the Ethnic Relations Commission in the former BIDCO building in Queenstown. To that end the Integrity Commission was removed and has been relocated elsewhere.

Government would seek supplementary provision(s) as required on the establishment of the Commissions, to meet the work programmes envisaged.

3. ESTABLISHMENT OF THE NATIONAL PROCUREMENT COMMISSION

Member Asking: Mrs. Sheila Holder, M.P.

Minister Answering: The Prime Minister and Minister of Public Works and Communications

Will the Honourable Prime Minister provide a status report on the failure to establish the National Procurement Commission?

(Notice Paper No. 444 (Q323 Opp298) published on 2010-03-05)

Answer:

Government has had the establishment of the National Procurement Commission on hold whilst seeking political consensus on its establishment.

4. VIDEO TAPING OF PROCEEDINGS IN THE NATIONAL ASSEMBLY

Member Asking: Mrs. Sheila Holder, M.P.

Minister Answering: The Prime Minister and Minister of Public Works and Communications

11.

The proceedings in the National Assembly are video-taped by the Government controlled NCN. Will the Honourable Prime Minister say why copies of the parliamentary proceedings are not being made available to the Alliance For Change parliamentary party upon request?

(Notice Paper No. 445 (Q324 Opp299) published on 2010-03-05)

Answer:

The Prime Minister believes that copies of any of NCN programmes are available on usual commercial terms and arrangements.

5. NATIONAL SPORTS COMMISSION

Member Asking: Mrs. Sheila Holder, M.P.

Minister Answering: The Minister of Culture, Youth and Sport

Will the Honourable Minister say why is money being voted for the National Sports Commission, a body that has been defunct for more than two years?

(Notice Paper No. 446 (Q325 Opp300) published on 2010-03-05)

Answer:

Monies are voted for the National Sports Commission to enable it to pay its staff and carry out programmes.

6. DIPLOMATIC PASSPORTS

Minister Answering: The Minister of Home Affairs

Could the Honourable Minister say-

2. *Is the policy now, as the Circular suggests in paragraph 2 that, “No repetition shall take place at the Nursery, Primary nor Secondary levels”, irrespective of the performance of students and that promotion to higher grades will be automatic?
3. *Deficiencies noted by teachers according to this Circular must be remedied during the August holidays. How practical is this, when some of these deficiencies were developed over years of formal teaching?
4. *Is it true to say that this policy will be delivering students to subsequent grades, who are below the required standard?

(Notice Paper No. 471 (Q338 Opp313) published on 2010-06-09)
