***Not to be proceeded with at this sitting**

8.

AND WHEREAS Guyana has committed to several international instruments and mandates for addressing the issues of political party and campaign financing most notably the following, which explicitly or indirectly address these issues:

- As in the Declaration of Commitment of Port of Spain at the Fifth Summit of the Americas in Trinidad and Tobago April 19, 2009 where CARICOM heads of State reaffirmed their commitment to fostering credibility and public trust in democratic institutions, in particular the legitimacy of electoral processes;
- As in Article 5 of the Inter-American Democratic Charter where strengthening of political parties and other political organizations is recognized as a priority for democracy paying special attention to problems associated with the high cost of election campaigns and the establishment of a balance and transparent system for their financing;
- As in Article 7 Section 3 of the United Nations Convention against Corruption, to which Guyana acceded on April 16, 2008, and which requires that each state party ‘considers taking appropriate legislative and administrative measures to enhance transparency in the funding of candidatures for elected public office and ... the funding of political parties’;
- As in Article 10 of the African Union Convention on Preventing and Combating Corruption adopted in Maputo on July 11, 2003, each state party shall adopt legislative and other measures to incorporate the principle of transparency in funding of political parties; and prescribe the use of funds to finance political parties;

9.

- As in Recommendation (2003) 4 of the Committee of Ministers for the Council of Europe (CoE) to member states on common rules against corruption in the funding of political parties and electoral campaigns which was adopted by the CoE Committee of Ministers on April 8, 2003. This international instrument primarily focuses on sources of funding – supporting a system that balances private and public financing – and on the merits of disclosure,

BE IT RESOLVED:

That this National Assembly recognizes that a strong democracy requires healthy political parties, resources to sustain and operate a basic party structure capable of representing people, contributing creatively to the public policy debate, and contesting elections; and that the role of money in politics undeniably influences the quality of democracy and governance;

BE IT FURTHER RESOLVED:

That the Government presents to the National Assembly such relevant laws and regulations pertaining to political party campaign financing; curtail abuse of public resources by the incumbent leading up to and during elections as recommended by the Commonwealth Secretariat in order to create a level playing field for contesting parties at elections in Guyana.
