Mrs. Volda Lawrence, M.P., to move the following motion:

WHEREAS Georgetown is the capital city of Guyana, commonly known as  
'Garden City of the Caribbean';

AND WHEREAS the expanded boundaries of the city of Georgetown have  
placed severe strain and pressures on the drainage systems. In addition the heavy  
siltation of canals, the dumping of refuse and various other kinds of items which  
block drains, the lack of maintenance of the outfall channels have all led to poor  
drainage of the city;

AND WHEREAS refuse collection and disposal have reached a critical point where large amounts of garbage are being dumped on street corners, open spaces and canals, creating public nuisance and health hazards;

AND WHEREAS many construction sites continue to block drains and dispose of waste on city parapets and in many instances create stagnant pools of water that encourage the breeding of mosquitoes;

AND WHEREAS the Georgetown City Council is unable to carry out its mandate as prescribed in the Municipal and District Councils Act of 1969 and the Local Democratic Organs Act of 1980, due to the severe under-collection of taxes, rents and fees as well as the miserly subvention received from Central Government,

BE IT RESOLVED:

That this National Assembly of the Parliament of Guyana commits its support towards the restoration of our Capital City, Georgetown;

BE IT FURTHER RESOLVED:

That this National Assembly calls upon the Government to:

- (i) Utilize every machinery, work force, and agencies at its disposal and command in conjunction with the Georgetown City Council, Members of the National Assembly, the business and commercial sector, NGOs, Clubs and citizens in the removal of garbage, abandoned vehicles and builders waste as well as the de-siltation of
