EXPLANATORY NOTE

(This Note is not part of the Regulations).

The revision in 1961 and 1964 of salaries and wages in the Public Service makes it necessary that the rate of commuted overtime allowances for Postal Employees be revised as the rates presently applicable, are based upon the pre 1961 salaries and wages. It is intended that the revised overtime rates, set out in the first schedule to these regulations, be made applicable as from 1961.
