REGULATIONS FOR THE REGISTRATION OF DESIGNS.

SHORT TITLE.

1. These Regulations may be cited as the Designs Regulations, Short title, 1937.

INTERPRETATION.

2.—(1) In these Regulations unless the context otherwise requires the expression :—

“ the Ordinance ” means the Patents and Designs Ordinance, 1937 ;

“ Agent ” means a licensed patent agent under the Ordinance duly authorised to the satisfaction of the Registrar ;

“ Office ” means the Patent Office ;

“ Gazette ” means the *Official Gazette* ;

“ Specimen ” means an article of manufacture or a substance with the design applied to it ;

“ Lodged ” means left at the Office or sent through the post by a prepaid letter addressed to the Registrar at the office ;

“ Set ” means a number of articles of the same general character ordinarily on sale together or intended to be used together all bearing the same design with or without modifications or variations not sufficient to alter the character or substantially to affect the identity thereof.

Interpretation.

No. 9 of 1937.

Cap. 5. (2) The Interpretation Ordinance shall apply to the interpretation of these Regulations as it applies to the interpretation of an Ordinance.

FEEES.

Fees. 3.—(1) The fees to be paid in relation to designs shall be those prescribed in the First Schedule to these Regulations and shall be payable to the Registrar.

(2) All fees shall be payable in advance.

FORMS.

Forms. 4. The forms herein referred to are the forms contained in the Second Schedule to these Regulations, and such forms shall be used in all cases to which they are applicable and may be modified as directed by the Registrar to meet other cases.

SETS OF ARTICLES.

Sets of articles. 5. Where there is any doubt whether given articles do or do not constitute a set, the doubt shall be determined by the Registrar.

CLASSIFICATION OF GOODS.

Classification of goods. 6. For the purposes of the registration of designs and of these Regulations, goods are classified in the manner set out in the Third Schedule hereto.

If any doubt arises as to the class to which any particular description of goods belongs, it shall be determined by the Registrar.

DOCUMENTS.

Size &c., of documents. 7. Subject to any other directions that may be given by the Registrar, all applications, notices, papers having representations affixed, and other documents required by the Ordinance or by these Regulations to be lodged shall be upon strong paper, and, except where otherwise required, on one side only, of a size of approximately 13 inches by 8 inches, and having on the left-hand part thereof a margin of approximately two inches.

Signature of documents. 8. A document lodged by a partnership or firm shall contain the names of the partners in full and shall be signed by all the partners. A document lodged by a body corporate shall be signed by a director or by the secretary or other principal officer of such body corporate.

Service of documents. 9. Any application, statement, notice or other document authorised or required to be lodged, or to be left, made or given with or to any person under the Ordinance or these Regulations may be sent through the post by a prepaid letter; any document so sent shall be deemed to have been delivered at the time when the letter containing the same would be delivered in the ordinary course of post, and in proving such service or sending, it shall be sufficient to prove that the letter was properly addressed and put in the post.

ADDRESS.

10. Where any person is bound to furnish the Registrar with an address, the address given shall in all cases be as full as possible, for the purpose of enabling any person easily to find the place of business of the person whose address is given. Address.

11. Every applicant in any proceedings to which these Regulations relate, and every person registered as proprietor of, or as having an interest in, a registered design, shall furnish to the Registrar in addition to his full residential or business address an address for service in the Colony. Such address may be treated, for all purposes connected with such proceedings or design, as the actual address of such applicant or person and shall in the case of a registered proprietor be entered on the register as the address for service of such proprietor. Address for service.

Any written communication addressed to an applicant in any proceedings, or to any person registered as proprietor of, or as having an interest in, a registered design, at his address for service shall be deemed to be properly addressed.

Where an address for service has not been furnished to the Registrar, the Registrar may treat the residential or business address as the address for service, unless such residential or business address is out of the Colony, in which case the Registrar need not proceed with the examination of the application until an address for service in the Colony has been furnished to him.

AGENTS.

12. An application for registration and all other communications between an applicant and the Registrar, and between the registered proprietor of a design and the Registrar, or any other person, may be made by or through an agent. Agency.

Any such applicant or proprietor may appoint an agent to represent him in the matter of the design by signing and sending to the Registrar an Authority in writing to that effect on Form Designs No. 1, or in such other form as the Registrar may deem sufficient. In case any registered proprietor of a design shall appoint such an agent, service upon such agent or any document relating to such design shall be deemed to be service upon the person so appointing him, and all communications directed to be made to such person in respect of such design may be addressed to such agent. Form No. 1

The Registrar shall not recognise as such agent, or receive any communications in respect of any business under the Ordinance relating to designs from any person who is not at the time licensed to be a patent agent under the provisions of the Ordinance. In any particular case, the Registrar may, if he think fit, require the personal signature or presence of an applicant or other person.

APPLICATION FOR REGISTRATION.

- Signature of applicant. **13.** An application for registration of a design shall be signed by the applicant for registration or by his agent.
- Form of Application. **14.** An application for registration of a design shall be lodged at the Office and (except as regards (a) applications for lace designs in Class 9 and (b) applications in Classes 13, 14 and 15) shall be on Form Designs No. 2, or in the case of a set on Form Designs No. 3 as the case may be.
- Forms Nos. 2 & 3. **15.** An application for registration of a lace design in Class 9 shall be on Form Designs No. 4 or in the case of a set on Form Designs No. 5.
- Lace Designs. Forms Nos. 4 & 5. **16.** Applications for registration of designs in Classes 13 and 14 shall be made on Form Designs No. 6.
- Form of application for designs other than checks or stripes. Form No. 6. **17.** Applications for registration of designs in Class 15, consisting substantially of checks or stripes only, shall be made on Form Designs No. 7. If any doubt arises as to whether a design presented for registration on Form Designs No. 7 is a design consisting substantially of checks or stripes only, that doubt shall be determined by the Registrar.
- Form of application for checks or stripes. Form No. 7. **18.** An application shall state the class in which the design is to be registered, and where it is desired to register the same design in more than one class, a separate application shall be made in respect of each class. In that case each application shall be numbered separately, and shall be treated as a separate and distinct application.
- Class. **19.** Every application shall state the article or articles to which the design is to be applied and where the Registrar so requires, the applicant shall further state for what purpose the article to which the design is to be applied is used and the material or the predominating material of which the article is made.
- Application of design. **20.** The applicant may, and shall, if required by the Registrar in any case so to do, indorse on the application and each of the representations a brief statement of the novelty he claims for his design.
- Statement of novelty. **21.** When an application is made under the provisions of section 63 of the Ordinance for the registration of a design which has already been registered in one or more classes, the application shall contain the number or numbers of the registration or registrations already effected.
- Application under Section 63. **22.** There shall be furnished in connection with an application for the registration of a design to be applied to a single article, three identical representations of the design, in a form satisfactory to the Registrar, or three specimens.
- Representations.

23. There shall be furnished in connection with an application for the registration of a design to be applied to a set four identical representations of the design, in a form satisfactory to the Registrar, or four specimens. Representations for set
24. When the design is to be applied to a set, each of the representations accompanying the application should show all the various arrangements in which it is proposed to apply the design to the articles included in the set. Representations for set.
25. Each representation of the design, whether to be applied to a single article or to a set of articles, must be upon paper of the size prescribed by Regulation 7 hereof and not on cardboard, and must appear on one side only of the paper. The figures must be placed in an upright position on the sheet. When more figures than one are shown, these should where possible be on one and the same sheet, and each must be designated perspective view, front view, side view or otherwise as the case may be. Nature of representations.
26. When drawings or tracings are furnished, they must be in ink, and if on tracing cloth or tracing paper must be mounted on paper of the size prescribed by Regulation 7 hereof. Drawings, &c., must be in ink.
27. When the specimens are not, in the Registrar's opinion, of a kind which can be conveniently mounted in a flat position by means of an adhesive, upon paper of the size prescribed by Regulation 7 hereof and stored without damage to other documents, representations shall be furnished in place of specimens. Special representations.
28. Where words, letters or numerals are not of the essence of the design, they shall be removed from the representations or specimens; where they are of the essence of the design the Registrar may require the insertion of a disclaimer of any right to their exclusive use. Words, &c., on designs.
29. Each representation of a design which consists of a repeating surface pattern must show the complete pattern and a sufficient portion of the repeat in length and width, and shall not be of less size than 7 inches by 5 inches. Repeat of pattern.
30. Where representations are supplied, the Registrar may at any time require specimens or additional representations. Specimens of designs.
31. Where the names or representations of living persons appear on a design, the Registrar shall be furnished, if he so require, with consents from such persons before proceeding to register the design. In the case of persons recently dead the Registrar may call for consents from their legal representatives before proceeding with the registration of a design on which their names or representations appear. Representations of living persons or persons recently dead.

PROCEDURE ON RECEIPT OF APPLICATION.

Objections. **32.** If upon consideration there appears to the Registrar to be any objection to the application, a statement of those objections shall be sent to the applicant in writing, and unless within one month the applicant applies for a hearing, he shall be deemed to have withdrawn his application.

Decision of Registrar. **33.** The decision of the Registrar at such hearing as aforesaid shall be communicated to the applicant in writing, and if he objects to such decision and desires to appeal, he shall within one month apply to the Registrar, upon Form Designs No. 8, requesting him to state in writing the grounds of and the materials used by him in arriving at his decision.

Date for appeal. **34.** Upon receipt of such application the Registrar shall send to the applicant such statement as aforesaid in writing and the date when such statement is sent shall be deemed to be the date of the Registrar's decision for the purpose of an appeal.

NON-COMPLETION.

Non-completion within 12 months. **35.** Where an application for registration of a design is not completed within twelve months from the date of the application by reason of default or neglect on the part of the applicant, the Registrar shall give notice to the applicant in writing of such non-completion, and if the applicant has an agent, shall send a duplicate of such notice to such agent. If after fourteen days from the date when such notice was sent, the application is not completed, the application shall be deemed to be abandoned, unless application is made on Form Designs No. 9 for an extension of time, not exceeding three months, within which the application for registration may be completed.

DEATH OF APPLICANT.

Death of applicant before registration. **36.** In case of the death of any applicant for registration of a design after the date of his application, and before registration of the design has been effected, the Registrar may, on being satisfied of the applicant's death, enter in the register, in place of the name of such deceased applicant, the name, address and nationality of the person owning the design, on such ownership being proved to the satisfaction of the Registrar.

EXTENSION OF PERIOD OF COPYRIGHT.

Extension of period of copyright beyond first five years. Forms Nos. 10 & 12. **37.** If the proprietor of a registered design intends to apply for an extension of the period of copyright beyond the first period of five years, he shall apply before the expiration of the first period of five years on Form Designs No. 10. An application for an enlargement of time for payment of any fee payable for an extension of the period of copyright under Section 66 (2) of the Ordinance shall be made on Form Designs No. 12.

38. If the proprietor of a registered design intends to apply for an extension of the period of copyright beyond the second period of five years, he shall apply before the expiration of the second period of five years on Form Designs No. 11. An application for an enlargement of time for payment of any fee payable for an extension of the period of copyright under Section 66 (3) of the Ordinance shall be made on Form Designs No. 12.

Extension of period of copyright beyond second five years.
Forms Nos. 11 & 12.

39. The fee payable for an extension of the period of copyright in respect of a design registered under Section 63 of the Ordinance shall become due for payment and shall be paid before the expiration of the current period of copyright in the original design. An application for an enlargement of time for payment of any such fee shall be made on Form Designs No. 12.

Extension of period of copyright in Designs registered under Section 63.
Form No. 12.

40. The proprietor of any registered design may pay all or any of the prescribed fees for obtaining an extension of the period of copyright in advance.

Payment of fees in advance.

ASSIGNMENTS, &C.

41. Where a person becomes entitled by assignment, transmission or other operation of law to the copyright in a registered design or as mortgagee, licensee or otherwise to any interest in a design, he may, conjointly with the registered proprietor, make application to the Registrar on Form Designs No. 13 to register his title.

Joint request for entry of assignment, &c.
Form No. 13.

42. Where a person becomes entitled to the copyright in a design or to any interest therein in the manner referred to in Regulation 41 and no conjoint application as therein mentioned is made, he shall make application to the Registrar on Form Designs No. 14 to register his title.

Application for entry of assignment by subsequent proprietor.
Form No. 14.

43. An application under Regulation 41 or Regulation 42 shall contain the name, address and nationality of the person claiming to be entitled together with full particulars of the instrument, if any, under which he claims, and such instrument shall be produced for inspection by the Registrar.

Particulars in application.

44. Application for entry in the Register of notification of any document (not already provided for) purporting to affect the proprietorship of a registered design shall be made on Form Designs No. 15.

Entry of notification of document
Form No. 15.

45. The applicant shall, if so required by the Registrar, lodge at the Office a copy (verified in such manner as the Registrar may require), of any instrument produced for inspection in proof of title.

Copies for office.

46. When the Registrar is satisfied as to the applicant's title he shall cause the applicant to be registered as proprietor, mortgagee, licensee or as otherwise entitled to an interest in the design and shall record in the Register such particulars as he may consider necessary of the instrument, if any, under which the title was acquired.

Entry on Register.

Removal of name.
Form No. 16.

47. Where the name of a person is entered in the Register as mortgagee or licensee, such person may on making an application for the purpose on Form Designs No. 16 have a note entered in the Register that he no longer claims to be mortgagee or licensee, as the case may be.

Change of name.
Form No. 17.

48. When the registered proprietor of a design changes his name, he shall make application on Form Designs No. 17 for entry of such change of name in the Register and such application shall be accompanied by documentary evidence substantiating such change of name.

ALTERATION OF ADDRESS.

Alteration of address in Register.
Form No. 18.

49. Every registered proprietor of a design who alters his address, or his address for service, shall forthwith apply to the Registrar on Form Designs No. 18, and the Registrar shall alter the Register accordingly.

CORRECTION OF ERRORS.

Correction by applicant or proprietor.
Form No. 19.

50. Where an applicant for registration or the registered proprietor of a design desires, under the provisions of Section 87 of the Ordinance to correct an error, he shall make the application on Form Designs No. 19.

Cancellation of design.
Form No. 20.

51. Where the registered proprietor of a design desires to cancel his registration, he shall make the application on Form Designs No. 20.

Cancellation by assignee in insolvency &c.
Form No. 20.

52. Cancellation may also be effected by the assignee in insolvency of the registered proprietor or where the registered proprietor is a company in liquidation by the liquidator or in any other case where the request is made by a person whom the Registrar may decide to be entitled to act in the name of the registered proprietor. In such cases the application shall be made on Form Designs No. 20 modified as the Registrar may direct.

DISCRETIONARY POWER.

Hearing.

53. Before exercising any discretionary power given to the Registrar by the Ordinance or these Regulations adversely to any person, the Registrar shall give such person not less than ten days' notice of a time when he may be heard by himself or his agent.

Within five days from the date when such notice would be delivered in the ordinary course of post, the person concerned shall notify the Registrar whether or not he intends to be heard on the matter.

Notification of decision.

54. The decision of the Registrar in the exercise of any such discretionary power, as aforesaid, shall be notified to the person affected.

SEARCHES.

55. Where any person desires to obtain the information which he is entitled to obtain under Section 70 of the Ordinance, and can furnish the registration number of the design, he shall apply on Form Designs No. 21 and the Registrar will thereafter furnish him with the information aforesaid. Search under Section 70.
Form No. 21.

Where the applicant is unable to furnish the registration number of the design he shall apply on Form Designs No. 22 and furnish to the Registrar such information as he may possess, and the Registrar will thereupon make such search in the class indicated as may be possible on the information supplied, and will furnish such information as can be afforded. Where Form Designs No. 22 is accompanied by a representation or specimen of the design, such representation or specimen shall be furnished in duplicate. Form No. 22.

56. The Registrar may, upon application for the purpose made on Form Designs No. 23, cause a search to be made among the registered designs and state whether any design accompanying such form and to be applied to goods in any particular class appears to be identical with, or closely to resemble any registered design applied to such goods of which the copyright is still existing. The design accompanying Form Designs No. 23 shall be furnished in duplicate. Search among registered designs
Form No. 23

67. If the registered proprietor is desirous of opposing the application, he shall, within 14 days of the receipt of such copies or such further time as the Registrar may allow, leave at the Office a counter-statement fully setting out the grounds on which the application is to be opposed and shall deliver to the applicant a copy thereof.

Counter
statement.

68. The applicant shall, within 14 days from the delivery of such copy or within such further time as the Registrar may allow, leave at the Office evidence by way of a statutory declaration in support of his case and shall deliver to the registered proprietor a copy thereof.

Applicant's
evidence.

69. Within 14 days from the delivery of such copy or such further time as the Registrar may allow, the proprietor may leave at the Office statutory declarations in answer and, on so leaving, shall deliver to the applicant a copy thereof and within 14 days from such delivery or within such further time as the Registrar may allow, the applicant may leave at the Office statutory declarations in reply and, on so leaving, shall deliver to the proprietor a copy thereof. Such last mentioned declaration shall be confined to matters strictly in reply.

Proprietor's
evidence.

Evidence in
reply.

70. No further evidence shall be delivered by either party except by leave or on requisition of the Registrar.

Closing of
evidence.

71. On completion of the evidence, or at such other time as he may see fit, the Registrar shall appoint a time for the hearing of the case, and give the parties ten days' notice at least of such appointment, and in the event of his deciding to take evidence *viva voce* in lieu of, or in addition to, the evidence by declaration, or to allow any declarant to be cross-examined on his declaration, he may require the attendance of any declarant or other person whose evidence he may consider desirable. If either party does not

Hearing.

desire to be heard, he shall as soon as possible notify the Registrar to that effect. If either party desires to be heard he must give notice to the Registrar on Form Designs No. 26. The Registrar may refuse to hear either party who has not left Form Designs No. 26 prior to the date of the hearing.

Form No. 26.
Costs on
uncontested
application.

72. In the event of an application for the cancellation of the registration of a design or grant of a compulsory licence being uncontested by the proprietor, the Registrar in deciding whether costs should be awarded to the applicant shall consider whether proceedings might have been avoided if reasonable notice had been given by the applicant to the registered proprietor before the application was filed.

LOST CERTIFICATE OF REGISTRATION.

Lost
certificate.
Form No. 29.

73. An application for a duplicate of a certificate of registration which has been lost or destroyed shall be made on Designs Form No. 29, and shall be accompanied by a statutory declaration setting out in full and verifying the circumstances in which the original certificate of registration was lost or destroyed.

INDUSTRIAL AND INTERNATIONAL EXHIBITIONS.

Notice of
Exhibition.
Form No. 27.

74. Any person desirous of exhibiting an unregistered design or any article to which an unregistered design has been applied, at an industrial or international exhibition, which has been duly certified as such by the Governor in Council or of publishing a description of a design during the period of the holding of such an exhibition, may give the Registrar notice, on Form Designs No. 27, of his intention to exhibit the design or article or to publish a description of the design, as the case may be. For the purpose of identifying the design in the event of an application to register the same being subsequently made, the person giving such notice shall supply a brief description of the nature of the design, accompanied by a sketch, drawing, or specimen, and shall supply such other information as the Registrar may in each case require.

STATUTORY DECLARATIONS.
