ITEM 7: PRESENTATION ON THE ANTI-MONEY LAUNDERING AND COUNTERING THE FINANCING OF TERRORISM BILL, 2007-BILL NO.18/2007.

7.1 The Chairman extended a warm welcome to Mr. Christopher Ram and indicated that he was pleased that he had expressed an interest to appear before the Committee.

7.2 Presentation by Mr. Christopher Ram

7.2.1 The Chairman invited Mr. Christopher Ram to commence his presentation. The following concerns were highlighted.

- (i) that the Bill was a complex piece of legislation and if passed, in its present form could not be enforced.

- (ii) some of the activities and businesses which were subject to the legislation were already under a supervisory authority. The lack of adequate resource and capacity would hinder the proper enforcement of the legislation;
- (iii) that if some of the powers and duties included in the legislation were to be carried out with minimum efficiency, it would required bureaucracy and budgeting, which the Government would be unwilling or unable to finance. This might require external financing;
- (iv) evidence suggest that the Guyana Police Force and the Office of the Director of Public Prosecutions did not have the quality of personnel to prosecute cases of corruption and breaches of the law;
- (v) that the Money Laundering (Prevention) Act of 2000 made little impact and that no analysis was done to indicate that a more complex legislation was required.
- (vi) the fact that the Ministerial authority for the legislation fell within the purview of both the Ministry of Legal Affairs and the Ministry of Finance caused some concern, since a similar legislation (Companies Act 1991) had not been successfully implemented;
- (vii) that three of the most common sources of money laundering were narco-trafficking, customs and tax evasion. Only narco-trafficking was subject to the proposed legislation;
- (viii) that the law relating to the financing of political parties and elections campaign needed to be updated.
- (ix) that the Cambios were one of the major vehicles of money laundering and despite public calls for legislation to curtail their operations, action was not taken against such operations;

7.2.2

Mr. Christopher made the following recommendations:

- Amend the Money Laundering (Prevention) Act 2000 if it was found to be defective, and make subsidiary legislation that may be necessary to gave effect to that Act.
- Place the responsibility for the prevention of money-laundering within a separate, professional established unit within the Bank of Guyana .
- Place responsibility for the prevention and financing of terrorism under the Criminal Law Offences Act.

Close the Cambios. This operation have outlived their usefulness and were susceptible to be used as vehicles for money laundering and possibly other forms of illegal activities.

Develop capacity in the Guyana Revenue Authority to deal with tax evasions, the proceeds of which must themselves be laundered.

The National Assembly should seek to modernize old legislation, instead of introducing new laws that it was not certain that would work.

Make better use of the exchange of information provisions under the Double Taxation Treaties with Canada, the UK and Caricom States and the Income Tax (Exchange of Information) UAS Order.

Update and revise the law relating to the financing of political parties and elections campaigns.

7.2.3 Questions and clarifications were sought by the following Members

- (i) Mr. Odinga Lumumba, M.P.
- (ii) Mr. Winston Murray, M.P.
- (iii) Mr. Raphael Trotman, M.P.
- (iv) Mr. Mohamed Ali, M.P.
- (v) Mr. Mohabin Nandlall, M.P.
- (vi) Mr. Moses Nagamootoo, M.P.
- (vii) Mr. F. L. Carberry, M.P.
- (viii) Mrs. Claissa Richl, M.P.

Details of the proceedings are recorded in the verbatim records of that date.

Mr. Christopher Ram proposed that he could modify his written submission taking cognizance of the views expressed by the Committee. Mr. Ram committed to submitting the document by Monday, 14th July, 2008.

The Committee agreed that it would accept the modified submission for circulation to Members.

7.3 **Mandate of the Committee**

The Chairman drew Members attention to Standing Order 59 which stated that the Committee could not discuss the general merits of and principles of the Bill but only its details.

ITEM 8: ANY OTHER BUSINESS

8.1 Alternative Time and Date for Meeting

8.1.1 Some Members questioned whether the Committee could consider a change in the time and date of meetings.

8.1.2 The Clerk was requested to provide the Committee with proposed time and dates for consideration by the Committee.

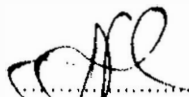

8.2 Consideration of the Bill

8.2.1 The Committee agreed that it would commence consideration of the Bill clause by clause at its next meeting.
