MANAGEMENT

Guyana Stores Ltd. managed PHI from incorporation to October 2000, when the major shareholder, National Industrial and Commercial Investments Ltd. (NICIL), under the auspices of the Privatisation Unit assumed management functions. This was due to the privatisation of Guyana Stores Ltd. to a private entity whose new majority owner has no shares in PHI.

REPORT OF THE DIRECTORS

INCORPORATION & NATURE OF BUSINESS

Government and GSL incorporated PHI on 5th October 1999 as a fully owned subsidiary of GSL. Shortly after, the GSL shareholders approved the vesting of twenty-four (24) non-core properties of GSL to PHI. These comprised all GSL properties except Universal and Hardware buildings.

The nature of PHI's business is simply to manage or dispose of the non-core GSL properties that were transferred from GSL. A detailed account of all property related transactions including third party related transactions involving shareholders and members of the Board of Directors, are provided for in the notes accompanying the accounts.

As a consequence of its business, PHI does not have any subsidiaries nor does it engage in other investment projects that carry investment risks nor has it borrowed any money from a licensed financial institution. Any debts of the Company are duly documented in the notes to the financial statements.

RESULTS

Total income amounted to G\$136,226,670 compared to G\$211,204,867 for 2003. The Company only sold one property in 2004. The total gain in operations amounted to G\$113,027,716 compared to G\$250,176,095 for the previous financial year.

Earnings per share amounted to G\$1.13.

DIVIDEND

No dividend was declared for the year 2004.

RETAINED EARNINGS

The gain in operations resulted in a retained earnings figure of G\$352,417,054, which also increased the shareholders' equity to G\$452,417,054 at the end of 2004.

DIRECTORS/OFFICERS

At incorporation, the Shareholders appointed Mr. Manniram Prashad as Chairman of the Board and Mr. Winfred Fries and Mr. Winston Brassington as Directors. All have continued to serve since inception and throughout the year.

Save and except Mr. Winfred Fries who holds 100,000 shares in PHI, no other director or officer of PHI holds any shares in the Company. Any related party transactions that may have occurred over the years involving any member of the Board of Management of PHI is duly documented in the notes to the financial statements.

AUDITORS

PHI, being a Company whose majority shareholder is a wholly state-owned company, is required to have its financial statements audited by the Office of the Auditor General. The Auditor General has sub-contracted Nizam Ali & Company to assist in the audit of these financial statements.

**REPORT OF THE AUDITOR GENERAL
TO THE MEMBERS OF THE BOARD OF DIRECTORS OF
THE PROPERTY HOLDINGS INC.
ON THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2004**

I have audited the financial statements of the Property Holdings Inc. for the year ended 31 December 2004, as set out on pages 13 to 28. These statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and the accounting policies as set out on page 17.

Respective Responsibilities of Management and Auditors

The preparation of the financial statements, including assertions relating to their completeness, accuracy, validity and compliance with applicable laws, regulations and contractual obligation, is the responsibility of the management of the Property Holdings Inc. My responsibility is to express an independent opinion on the statements based on these assertions and to report my opinion to you.

Basis of Opinion

I conducted my audit in accordance with generally accepted auditing standards, including those of the International Organisation of Supreme Audit Institutions (INTOSAI) and the International Federation of Accountants (IFAC). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on the test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Management as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Property Holdings Inc. as at 31 December 2004, its financial performance and cash flows for the year then ended in conformity with International Financial Reporting Standards.

Without qualifying our opinion, we draw attention to the following matters:

a)

As stated in note 7 to the financial statements, the Company requested approval from the Commissioner General, Guyana Revenue Authority, to use a revised valuation for the purpose of calculating property tax and capital gains tax. The Commissioner General has agreed to consider that the Company use a revised valuation that meets his requirements; however, to date the Company has not provided the valuation to the Commissioner General. The Company has recalculated its property and capital gains tax on the basis of nominal values used in transferring the property from Guyana Stores Limited in 1999. This resulted in a reversal of tax provision for the years 1999 to 2002 in the amount of sixty-five million and forty-seven thousand two hundred and twenty-seven dollars (\$65,047,227).

b)

Note 2(a) of the financial statements indicates that the financial statements have been prepared in accordance with International Financial Reporting Standards. The Company has elected to account for investment properties at cost in accordance with IAS 40 *investment properties*. Under IAS 40, disclosure of the fair value of all investment properties is required, regardless of the measurement model used. The Company did not undertake a recent valuation of investment properties. Consequently, the information relating to the fair value of investment properties was not disclosed in these financial statements.

**REPORT OF CHARTERED ACCOUNTANTS
NIZAM ALI & COMPANY
TO THE AUDITOR GENERAL
ON THE FINANCIAL STATEMENTS OF
PROPERTY HOLDINGS INC.
FOR THE YEAR ENDED DECEMBER 31, 2004**

We have audited the accompanying financial statements of Property Holdings Inc., which comprise the balance sheet as at December 31, 2004 and the statement of profit and loss, changes in equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Audit Office of Guyana Auditing Standards and International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2004 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

Emphasis of matter

Without qualifying our opinion, we draw attention to the following matters:

- a) As stated in note 7 to the financial statements, the Company requested approval from the Commissioner General, Guyana Revenue Authority that a revised valuation be used for the purpose of calculating property and capital gains tax. The Commissioner General has agreed to consider that the Company use a revised valuation that meets his requirements; however, to date the Company has not provided the valuation to the Commissioner General. The Company has recalculated its property and capital gains tax on the bases of nominal values used in transferring the property from Guyana Stores Limited in 1999. This resulted in a tax recoverable for the years 1999 to 2002 of sixty-five million and forty-seven thousand, two hundred and twenty-seven dollars (\$65,047,227).
- b) Note 2(a) of the financial statements indicates that the financial statements have been prepared in accordance with International Financial Reporting Standards. The Company has elected to account for investment properties at cost in accordance with IAS 40 *investment properties*. Under IAS 40, disclosure of the fair value of all investment properties is required, regardless of the measurement model used. The Company did not undertake a recent valuation of investment properties. Consequently, the information relating to the fair value of investment properties was not disclosed in these financial statements.

Notes to the Financial Statements

December 31, 2004

(Expressed in Guyana dollars)

1 Incorporation and activities

Property Holdings Inc. (PHI) was incorporated on October 5, 1999 as a wholly owned subsidiary of Guyana Stores Limited (GSL).

Prior to the privatisation of GSL which occurred on September 30, 2000, certain properties owned by GSL with a nominal value of \$100,000,000 were transferred by vesting order to PHI, and this was used as consideration for acquiring all PHI's shares. GSL during 1999 declared a dividend and distributed its shareholdings acquired in PHI as payment for this dividend. This resulted in a shareholding in PHI that mirrored the GSL shareholdings.

The Government of Guyana through the National Industrial and Commercial Investments Ltd. owns 73.33% of PHI and minority shareholders hold collectively 26.77% of the issued share capital.

2 Significant accounting policies

(a) Accounting convention

Interest and other income is recognised as it accrues unless the ability to collect is in doubt.

(c) Property, plant and equipment and depreciation

Depreciation is based on the estimated useful lives of fixed assets and is provided on the straight-line method at the following annual rates:-

Plant and equipment	-	10%
---------------------	---	-----

(d) Investment property

Investment properties are properties held either to earn rental income or for capital appreciation or both. Investment properties are measured at cost.

At the balance sheet date, all monetary assets and liabilities denominated in foreign currencies are translated at the National Bank of Industry and Commerce Limited cambio rate of exchange ruling at that date or at rates agreed by the Bank of Guyana.

Gains and losses arising from the translation of foreign currencies are included in the profit and loss account for the year.

(f) Cash and cash equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise cash in hand and deposits held on call with the banks.

(g) Dividend on ordinary shares

Dividend on ordinary shares are recognised in the period in which they are declared.

(h) Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made.

(i) Use of Estimates

The preparation of the financial statements in conformity with International Financial Reporting Standards (IFRS) requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

(j) Receivables

Trade accounts receivable are recorded at the invoiced amount and do not bear interest. The Company reviews the trade accounts receivable and determines the necessity and amount of an allowance for doubtful accounts at their best estimate of probable credit losses in existing accounts receivable. 4. Investment properties, continued

Description of property	<u>Duration of rent free occupation</u>
(5) Area 'B' being part of the land of Plantation Lima, Essequibo, no buildings thereon	3 years
(6) Parcel of land at lot 9 New Amsterdam with buildings, wharf railing hardwood railing and erection thereon	3 years
(7) Parcel of land at lot 8 Smythtown, New Amsterdam, Berbice	3 years
(d) Included in the vesting order is property located at east half of lot 109 Kingston. This property was not owned by GSL. The inclusion of this property in the vesting order was based on the assumption that the building commonly known as the Sports Club was located at the lot 109 Kingston. It has since been discovered that the Sports Club is not at this location but is on land owned by the state.	

Considering the above, the property at 109 Kingston was excluded from PHI's fixed assets. The exclusion of this property resulted in the omission of the Sports Club from PHI's assets; however, the Privatisation Board has agreed to compensate PHI for the Sports Club building and erections. An independent valuation was performed by Rodrigues Architects Ltd. which showed a value of \$13,225,000 for the Sports Club building and erections. This amount was paid to the Company in 2003.

8. Taxation, continued

The Company previously provided for property tax on the basis of a valuation done by the Chief Valuation Officer, Ministry of Finance. However, during 2005 the Company requested approval from the Commissioner General to use a revised valuation for the purpose of calculating property tax after being advised by the Commissioner General that the 25 Years Rule will apply for the purpose of computing capital gains tax (CGT). Properties transferred from Guyana Stores Limited (GSL) were deemed to be owned by the Company for the period that GSL owned those properties. Under the 25 Years Rule, capital gains on disposals of property that has been owned for a period of 25 years or more are exempt from CGT.

The Company has not provided the Commissioner General with a revised valuation; however, during 2003 the Company recomputed its property tax and CGT obligation on the basis of the nominal value of assets transferred from GSL. This resulted in a reversal of provisions previously made for taxes amounting to \$65,047,227. Tax for 2003 and the current year have also been computed on the basis of these nominal values.
