QUESTION

INTERNET FACILITATES AT THE GEORGETOWN SCHOOL OF NURSING

Would the Hon. Minister say if his Ministry has plans for providing Broad Band Internet Service or Wireless Internet Services to the Georgetown School of Nursing to assist the students with their research, since the Dial-Up System which is woefully out dated, has been out of service for a long time?

If his Ministry has plans to provide the Broad Band Internet Service, can the Hon. Minister say how soon this will be done?
